Hi Is it possible to obtain new recovery dvd to my old computer. Aspire 7520g Hdd defekt and i havent made the recovery disk before. (Image) Regards

A look at the German High Command during World War II challenges the myth that the German Generals could have won the war had Hitler not interfered, and maps out the history and the personalities of the German Command Structure.

Two strangers walk into a bar. Before the next day, one will be dead, the other in jail. That ain't no joke. When Rafferty meets Cindy in a bar, he's just killing time. Next morning he's in jail for killing her. Hallston's a nice little place, with good folk. They don't want this kind of big-city mess washing up on their shoreline. And Rafferty is the stranger in town with no alibi for the dark hours when Cindy was brutally murdered. So what else was the local Sheriff supposed to do? For Rafferty to get out from underneath this, he'll have to answer the one question about Cindy that no-one is certain of. Who was the last to see her alive? If you like Robert B. Parker's Spenser or Robert Crais' Elvis Cole, you'll love Rafferty: P.I. Buy LAST SEEN ALIVE today. Praise for Rafferty P.I. "If you like Parker's Spenser, or Robert Crais' Elvis Cole you should love the Rafferty series." - Mark A. Johnson. "Rafferty is the best hardboiled PI of this era." - Wendy Green. "Any fan of Micky Spillane, the Jack Reacher novels, or Mark Yost's Rick Crane novels should absolutely venture into the world of Rafferty P.I." - Michael Raabe. "Duncan truly captured the pure essence of the definitive smart-ass private eye in his character Rafferty. Take part Sam Spade with a little Mike Hammer, mix in some Spenser and you have an awesome character." - Cliff Fausset. "This author goes on my list of great private eye writers along with Kinky Friedman, Elmore Leonard, and Lawrence Sanders." - Tricia Schiro.

Expert Facebook advertising techniques you won't find anywhere else! Facebook has exploded to a community of more than half a billion people around the world, making it a deliciously fertile playground for marketers on the cutting edge. Whether you want to leverage Facebook Ads to generate "Likes," promote events, sell products, market applications, deploy next-gen PR, this unique guide is the ultimate resource on Facebook's wildly successful pay-per-click advertising platform. Featuring clever workarounds, unprecedented tricks, and little-known tips for triumphant Facebook advertising, it's a must-have on the online marketer's bookshelf. Facebook advertising expert Marty Weintraub shares undocumented how-to advice on everything from targeting methods, advanced advertising techniques, writing compelling ads, launching a campaign, monitoring and optimizing campaigns, and tons more. Killer Facebook Ads serves up immediately actionable tips & tactics that span the gambit. Learn what Facebook ads are good for, how to set goals, and communicate clear objectives to your boss and stakeholders. Master highly focused demographic targeting on Facebook's social graph. Zero in on relevant customers now. Get extraordinary advice for using each available ad element—headline, body text, images, logos, etc.—for maximum effect. How to launch a Facebook advertising campaign and crucial monitoring and optimizing techniques. Essential metrics and reporting considerations. Captivating case studies drawn from the author's extensive Facebook advertising experience, highlighting lessons from challenges and successes. Tasty

bonus: a robust targeting appendix jam-packed with amazing targeting combos Packed with hands-on tutorials and expert-level techniques and tactics for executing an effective advertising campaign, this one-of-a-kind book is sure to help you develop, implement, measure, and maintain successful Facebook ad campaigns.

This book examines the regulatory framework, regulatory objectives, regulatory logics, regulatory instruments, regulatory failures, and regulatory responses in China's financial market after the global financial crisis. The book provides an in-depth analysis of China's contemporary financial regulatory system, focusing on risks, regulation, and policies in practice. By drawing on public and private interest theories relating to financial regulation, the book contends that the controlled development of the banking sector, and the financial sector generally, has transformed China's banks into more market-oriented institutions and increased public sector growth. However, China's financial market and financial regulation have some inherent weaknesses and deficiencies. This book also offers insights into how this can be improved or adapted to minimize systemic risks in China's financial sector. This book tries to prove that financial regulation is not just a vehicle for maintaining efficient financial markets but a primary tool through which the Chinese government achieves its political and economic objectives. More fundamentally, according to the law and finance theory, strong market and vibrant judicial systems are needed to further modernize China's financial markets and market economy. The book will be a useful reference for anyone interested in learning from the Chinese experience.

The Testament of Solomon is said to have been written by King Solomon. He was the son of King David and lived from 990 BCE until about 931 BCE. Buy a Copy for Yourself or Someone Else Today! From King Solomon - "For everything there is a season, and a time for every purpose under heaven: a time to be born, and a time to die; a time to break down, and a time to build up, a time to cast away stones, and a time to gather stones together; a time to keep silence, and a time to speak." "Even fools are thought wise when they keep silent."
