But it's important to know how to be safe while you're in the water. The American Red Cross offers these important swimming safety tips you should be aware of before you head out to the pool or beach: Swim in designated areas supervised by lifeguards. Always swim with a buddy; do not allow anyone to swim alone.

Swimming Safety Tips | Swim Safe | American Red Cross

The American Red Cross created the first national water safety program in the U.S. – and today it's still the gold standard for aquatics training. All of that training is making a difference. In the last century, we've helped to reduce accidental drownings by nearly 90% nationwide. Join us as we champion water safety for the next 100 years.
