This regulation encompasses
garrison, field, and subsistence supply
operations. Specifically, this
regulation comprises Army Staff and
major Army command

Online Library Army Gpc Operating Procedures

responsibilities and includes responsibilities for the Installation Management Command and subordinate regions. It also establishes policy for the adoption of an à la carte dining facility and for watercraft to provide subsistence when underway or in dock.

Online Library Army Gpc Operating Procedures

Additionally, the regulation identifies DOD 7000.14–R as the source of meal rates for reimbursement purposes; delegates the approval authority for catered meals and host nation meals from Headquarters, Department of the Army to the Army commands; and authorizes the use of

Online Library Army Gpc Operating Procedures

the Government purchase card for subsistence purchases when in the best interest of the Government. This regulation allows prime vendors as the source of garrison supply and pricing and provides garrison menu standards in accordance with The Surgeon General's nutrition standards

Online Library Army Gpc Operating Procedures

Guide for feeding military personnel. Also, included is guidance for the implementation of the U.S. Department of Agriculture Food Recovery Program.

Online Library Army Gpc Operating Procedures

Guide This manual suggests design operating and performance criteria for specific surface water quality conditions to provide the optimum protection from microbiological contaminants.
