The 5 aspects of creating an aspiration are:
Define a vision for the future. Draft a plan
of action. Think about how to sustain and
increase motivation, inspiration,
independence and confidence. Define and
work on current levels of activity and
support. Be open to change, learning and a
transformational process.

It's easy to submit your resume to dozens of companies and keep on keeping on, but take a moment between each application to jot down some notes about the job so you can easily follow up. For example, you can create a simple Excel sheet with the following column categories: company name, job title, link to listing, contact (if applicable), date applied, and follow-up.
