'This is a book about rural Australia, love gained and lost, and fighting for what you believe in. But, unlike many books in the same genre, The Saddler Boys is subtly about so much more.' Weekly Times Schoolteacher Natalie has always been a city girl. She has a handsome boyfriend and a family who give her only the best. But she craves her own space, and her own classroom, before settling down into the life she is expected to lead. Torn between her society life in Perth and the rural community that needs her, Nat must risk losing it all to find out what she's really made of - and where she truly belongs. Book'd Out 'Fiona Palmer has well and truly earned her place as a leading writer of one of Australia's much-loved genres.' Countryman
