"The Valley of Fear" - Holmes gets led to Moriarty by his perception that many of the crimes he investigated were not isolated incidents, but instead the machinations of a vast and subtle criminal ring. One of Moriarty's agents sends cipher to Holmes, but doesn't give him the key. Holmes manages to decipher the message and must prevent Moriarty's agents from committing a murder. "The Final Problem" - Holmes is on the verge of delivering a fatal blow to Moriarty's criminal ring, but is forced to flee to continental Europe to escape Moriarty's retribution. The criminal mastermind follows, and the pursuit ends on top of the Reichenbach Falls, where the two are involved in a deadly struggle. "The Adventure of the Empty House" - Watson bumps into a wizened old book collector, who follows him home to his Kensington practice study then drops his disguise - it is Holmes. Holmes tells him how he beat Moriarty and apologizes for the deception needed to outwit his enemies. SUCKED IN Struggling vampire romance novelist Ashley Hawn was living her dream. By day she worked as a clerk at a local grocery store, and by night she immersed herself in the imaginary world of sexy vampires, shirtless men, and endless parties. Between work, her writing, and her best friends- Chloe and Jordan- life was good. She was even dating a mysterious and sexy man (or so she thought) by the name of Isaac. Then in a flash, her whole world changed and she discovered herself turned. Quickly she finds that life as a vampire is less sexy shirtless men, endless parties, and is more running for her life as she tries to dodge the attacks of every mythological creature in the area. SUCKED AWAY Barely surviving the resurrection of the warlock Sedgrave, Ashley has healed in body, if not in mind. As she slowly tries to piece together her mind, sorting past from present and friend from foe, the time of her joining- a ritual designed to bind her to her seethe-comes upon her. Before the ritual can be completed in full, it is interrupted by a ragged pack of werewolves seeking asylum and protection. Meanwhile, a storm is brewing in the mystical world with Ashley at its center, and before she knows it, her calm existence is once more Sucked Away. THAT SUCKED Ashley Hawn's vampire existence has been anything but calm. Turned for the sole purpose of raising a long-dead warlock from the grave, Ashley has spent her new life fighting against those who would use her. Now the warlock is back, and Ashley finds herself connected to him in every way possible. She must work alongside her friends to stop him from enslaving the entire human population. Meanwhile, the men in her life continue to show her romantic inclinations. As Ashley works to break the connection between her and the warlock, she ducks and dodges the attention of her male friends, doing her best to ward them off without ending the friendship. Will Ashley kill Sedgrave, and will she have any friends left when it is all over?

All my life, I've done whatever it takes to survive. Sinful, immoral, despicable things... crimes committed in service of a cruel master. But what I'm doing to Selina Palacios is for me. Two unlikely heroes. One chance to save humanity. They'll take those odds. In a land ravaged by civil war mages battle for supremacy whilst warlords rule the remnants of a broken population. And, sensing weakness, dark forces gather beyond the Veil, ready to punch a hole into this reality... Into this arena step two reluctant saviors. Maegwin, a tormented priestess, is the last of her kind. The sole survivor of a murderous attack on her temple, she knows her goddess would preach forgiveness for her enemies.
