come to me saying that they want to cash flow \$10,000 per month. That's an awesome goal, and there's nothing wrong with it—except for the fact that you'll need to invest roughly \$800,000 (that's equity , not market value) of cash to achieve that level of cash flow.

Mark Ferguson, a successful rental property owner, fix and flipper and real estate agent, has learned the best way to find rentals, get great deals, manage properties, finance properties, find great markets and build wealth with rentals. In this book Mark shares with you the information you need to be a successful rental property investor.

"I finally got a chance to purchase and read your book (Build a Rental Property Empire). It was easy to read and practical and pragmatic - and I liked it enough to give a copy to my son who is just starting out with his real estate investing and also to two of my investor clients as closing gifts."-Sharon  
Learn the best way to invest in rental properties in this 300 plus page book written by real estate investor Mark Ferguson (owns more than 100,000 sqft of rentals). This book gives you the exact details on how to finance, find, analyze, manage, and even sell rental properties. Where other books lack the details on how to actually make money in real estate, this book is all about the details. It is written by someone who has been investing in real estate for over 15 years and is still investing today. If you are having trouble figuring out how to find the right properties, how to finance them, where to buy properties, or how to buy with little cash, this books tells you how to overcome those obstacles. If you can't find your answer in the book, Mark even gives away his email address where you can ask him directly. Mark is a successful rental property owner, fix and flipper and real estate broker. Mark has sold over 1,000 houses as a broker, flipped over 155 houses, and owns his own office Blue Steel Real Estate. Mark bought his first rental property on his own in December 2010 and now has 19 rentals (commercial and residential). He has fix and flipped houses since 2001 and been a real estate agent since 2001 as well. Over the years, he has learned the best way to find rentals, get great deals, manage properties, finance properties, find great markets and build wealth with rentals. In this book, Mark gives you all the information you need to be a successful rental property investor. Mark also started InvestFourMore, a real estate blog with over 35,000 subscribers and millions of visitors. He is known for his straight to the point writing that is easy to understand and full of insight. This book is not full of theories and made up stories. It contains real-world case studies and information on investing from an investor actively investing in today's market. Here are just a few of the topics covered: · Why rental properties will help you retire faster than other investments· The risks of investing in rentals· How to determine what a good rental property is· How to determine what type of rental to buy· How to get a great deal on properties· How to finance rentals, even if you have more than 4 or more than 10· How to invest in rentals with less cash· How to repair and maintain properties· How to manage rentals or find a property manager· What are the best exit strategies· How to buy rental properties when your market is too expensive· Brand New Bonus Chapter on Commercial Real Estate Investing  
This book has been revised a number of times to reflect current market conditions and changes in Mark's strategy.

This book contains the real estate investment histories of four highly successful individuals. Within this publication, the investors describe the paths they took that resulted in the creation of four separate, self-sustaining real estate empires. Self-sustaining means that the companies they started would continue to flourish without the day-to-day input of the founder. To fulfil such a qualification, the founder must have built a company consisting of a group of independent real estate entrepreneurs who are capable of managing and growing the business to the next

seasoned real estate investor and landlord K. Kai Anderson says that real estate is an investment that anyone can dive into in order to fund their retirement . . . lucratively! Retire on Real Estate begins by exposing the cracks in most retirement portfolios, then opens readers' eyes to the benefits of rental income. Not leaving anything to question, the all-encompassing guide also lays out a complete plan of action, including how to:

- Get started--by either purchasing property or converting your residence into a rental
- Reduce the risk of vacancies, repairs, and problem tenants
- Spot smart investments
- Choose the right mortgage, or even out-of-the-box financing options
- Trade up to more profitable properties
- And more!

Don't wager your retirement on Social Security, dividends, and unpredictable bull markets. Real estate is an investment that will always pay off--if done correctly.

This book is about investing in sub \$30k properties (under \$30,000) and becoming a wealthy real estate investor enjoying the profits now, rather than later ... with only 2-5 properties instead of hundreds or overly priced properties. This book on investing in rental properties for beginners is the foundation of what I've built 47,000 person social media platform on - helping the average person get involved in rental properties on an average income, and building the cash flow of their dreams with 2-5 properties. That's it. This will teach you (the ordinary investor) how to tailor your investment strategy to your pocketbooks (and no one else's). You don't need to ask your parents or friends for loans because the best approach to building a rental portfolio is by purchasing units in modest neighborhoods that offer really high rents (i.e. purchase a \$44,000 rental that earns \$1200 a month in rents). If being a real estate investor is your dream and being a landlord is not, this is the book for you! The author will personally take you through the steps she's used on over 560 people to build their dream income and lifestyle.
