From the best-selling authors of the most successful reader in America comes Practical Argument. No one writes for the introductory composition student like Kirszner and Mandell, and Practical Argument simplifies the study of argument. A straightforward, full-color, accessible introduction to argumentative writing, it employs an exercise-driven, thematically focused, step-by-step approach to get to the heart of what students need to understand argument. In clear, concise, no-nonsense language, Practical Argument focuses on basic principles of classical argument and introduces alternative methods of argumentation. Practical Argument forgoes the technical terminology that confuses students and instead explains concepts in understandable, everyday language, illustrating them with examples that are immediately relevant to students' lives.

Learn how to write about literature the convenient, affordable way! COMPACT LITERATURE: READING, REACTING, WRITING, 9E helps you succeed in class and make literature a part of your life. Combining a broad selection of literature with time-proven writing instruction, this reader-friendly text walks you step-by-step through the entire research and writing process, helping you learn to craft literary

analyses and arguments. Demonstrating that writing about literature is a process of discovery, examination, and debate, the text includes a comprehensive guide to writing about literature with full coverage of critical thinking and argument. Sampler chapters on fiction, poetry, and drama involve you in the variety and diversity of literature through brief, accessible works that showcase representative selections from four popular contemporary literary subgenres. Each student text is packaged with a free Cengage Essential Reference Card to the MLA HANDBOOK, Eighth Edition.

Best-selling authors and veteran college writing instructors Laurie Kirszner and Stephen Mandell believe that students learn to write best when they use their own writing as a starting point. In *Writing First with Readings: Practice in Context*, designed for the paragraph to essay course, Kirszner and Mandell take seriously the ideas and expressive abilities of developmental students, as well as their need to learn the rules of writing and grammar. Visual writing prompts that open every chapter get students writing immediately. By moving frequently between their own writing, writing models and instruction, and workbook-style mastery exercises, students get constant reinforcement of the skills they are learning. Thoughtful chapters on college success, research, and critical reading, along with high-

interest essays, round out the text, making it the perfect introduction to college writing. Read the preface.

This books includes the essays and assignments you need in order to do your work. You can't pass your course without it. In Patterns for College Writing, you'll find a balance of classic and recent essays that provide outstanding models for your own writing. You'll also get lots of help with critical reading and the writing process. [From back cover].

More than ever, successful argumentation is a major part of academic success--and has plenty of real-world application. But students don't benefit when they are bogged down with technical jargon and abstraction. That's where Practical Argument comes in. Bestselling authors Laurie Kirszner and Stephen Mandell make argumentative writing accessible with a scaffolded, step-by-step approach to convey what students need to know about argument, in understandable language. The Fourth Edition includes an even more contemporary and diverse array of readings, as well as new coverage of the kinds of visual arguments students are likely to encounter in their everyday lives.
