Reviewed in the United States on August 13, 2009 This is the paperback edition of the hardback Chemistry book by Raymond Chang. The American version and this version are EXACTLY the same, save for the cover picture, ISBN number, and the softcover version. However, the paperback version is much cheaper, for that reason.

Chemistry Raymond Chang 10th Edition

Designed for the two-semester general chemistry course, this textbook features a clear writing style, and problem-solving strategies. It strikes a balance between theory and application by incorporating real examples, and helping students visualize the three-dimensional atomic and molecular structures that are the basis of chemical activity.
