Dance Anatomy. by Jacqui Haas. 4.29 · Rating details · 190 ratings · 11 reviews. Powerful, expressive, and compelling! Now you can see what it takes to be a stronger, more elegant dancer. Featuring over 200 full-color illustrations, Dance Anatomy visually depicts the unique relationship between muscle development and aesthetic movement as never before.

~~Dance Anatomy by Jacqui Haas— Goodreads~~

Overall, however, Haas's Dance Anatomy offers a way for dancers to learn dance-based anatomy that can truly resonate and last — through the body, the vessel through which dancers are already so intimately acquainted. Becoming even more intimately acquainted, in a knowledgeable and outcome-driven way, can make all the difference; deepened artistry, expanded kinesthetic knowing and safer, stronger technique can bloom from there.
