Duck On A Bike
The book is basically this: Duck learns how to ride a bike and goes on a ride around the farm. Each farm animal makes a comment as duck rides by on the bike. The animal's comments range from cautions (watch where you are going) to some that sound mocking (show-off, not as fast as me) to more positive (wishing they could ride too), to silly (wanting to eat a bike).

Duck a l'orange. Okay you probably can't eat this 1960s dish without a heap of irony, but there's a reason this retro-regarded recipe is a classic. It's delish. Release date:
