Understanding Development Zones in China. October 5, 2011
Posted by China Briefing Reading Time: 7 minutes. Oct. 5 ☐
China's first development zones were established in the 1970s and few can deny the significance these economic areas have had in building the global powerhouse China is today. The origin of development zones in China can be traced back to 1978, when the country's leaders were searching for a path to wealth and development to lift the country from economic and social ...

Understanding Development Zones in China - China Briefing News

Yángpǔ Economic Development Zone is an area of the Yangpu Peninsula, Hainan province, China. This zone, covering 31 km², contains a port, oil refinery, petroleum commercial reserve base, power station, and the town of Yangpu. The area, Hainan's largest economic zone, is located on the northwestern coast of the island, about 140 km west of Haikou, the provincial capital. It is the first development zone approved for lease to foreign investors by the Chinese government.
