of the Midwest Organic Sustainable Education Service, an award-winning initiative championing female farmers and food-based entrepreneurs. Together with her husband, John Ivanko, Lisa is co-author of *Homemade for Sale*, *Farmstead Chef*, *ECOpreneuring*, and *Rural Renaissance*. Lisa and her family run Inn Serendipity Farm and Bed & Breakfast, completely powered by the wind and sun in the rolling green hills of southern Wisconsin.

Given the compelling need to understand how entrepreneurship can support the Sustainable Development Goals (SDGs) and be appropriately guided, this book explores how entrepreneurial thinking and action can support social change, and investigates alternative entrepreneurship approaches by drawing together different studies.

In the '60s it was called the "back to the land" movement, and in Helen and Scott Nearing's day, it was "living the good life." Whatever the term, North Americans have always yearned for a simpler way. But how do you accomplish that today? Blending inspiration with practical how-to's, Rural Renaissance captures the American dream of country living for contemporary times. Journey with the authors and experience their lessons, laughter and love for the land as they trade the urban concrete maze for a five-acre organic farm and bed and breakfast in southwestern Wisconsin. Rural living today is a lot more than farming. It's about a creative, nature-based and more self-sufficient lifestyle that combines a love of squash, solar energy, skinny-dipping and serendipity . . . The many topics explored in Rural Renaissance include: "right

livelihood" and the good life organic gardening and permaculture renewable energy and energy conservation wholesome organic food, safe water and a natural home simplicity, frugality and freedom green design and recycled materials community, friends and raising a family independence and interdependence wildlife conservation and land stewardship. An authentic tale of a couple whose pioneering spirit and connection to the land reaches out to both the local and global community to make their dream come true, Rural Renaissance will appeal to a wide range of Cultural Creatives, free agents, conservation entrepreneurs and both arm-chair and real-life homesteaders regardless of where they live. Lisa Kivirist and John Ivanko are innkeepers, organic growers, copartners in a marketing consulting company, and have previously published books. John is also a photographer. Former advertising agency fast-trackers, they

anyone interested in becoming a conservation or environmental professional, and teachers will find this an invaluable resource for university students at all levels.

Human flourishing is an ever-expanding concept that crosses geographic, ethnic, cultural, and religious lines as persons, both individually and corporately, seek to find happiness, fulfillment, and purpose. This book brings together well-established and burgeoning Wesleyan scholars to consider not only John and Charles Wesley ' s understanding of human flourishing but the broader Wesleyan perspectives on contemporary issues such as calling, creation care, healthcare, education, technological enhancements, death and dying, and more. Throughout these chapters the complexities and challenges of life, both past and present, are explored and grappled

with, and we are reminded over and over again that God is the ultimate source of flourishing.

The Heart of Simple Living is your road map to a more balanced life - a life centered on self-discovery. Fewer possessions. More time. More friends. More meaning. This book will help you identify objectives for your life and create awareness of your actions and finances, while planning for your future. This inspirational book delivers seven tangible and actionable paths, woven together with real-life stories and humor along the way. You can follow these paths sequentially or cherry-pick them one at a time. Pursuing a life of simplicity is a journey, and as you blaze the trail to your simple life, celebrate the magic and joy of family, ritual and community - the perfect prescription for essential good health and well-being.

The ‘ Arab Spring ’ of 2011 has affected the countries of the region to varying degrees, including the Gulf Cooperation Council (GCC) members, comprising Saudi Arabia, Kuwait, Qatar, the United Arab Emirates, Oman and Bahrain. The GCC has become a significant regional bloc playing a vital economic and political role far beyond its shores, given its geopolitical strategic location, a preponderance of global energy reserves and a major international player through the use of accumulated financial reserves. A new Gulf is rising, one that is more self assertive, looking to expand its membership to other Arab countries such as Jordan and Morocco, while at the same time strengthening the bloc ’ s relationship with current and emerging trading and strategic partners in Europe, USA and Asia. Regional and international realities, especially the

Access Free Ecopreneuring Putting Purpose And The Planet Before Profits

uncertainties unleashed by the ' Arab Spring ' , are forcing Gulf leadership to initiate new policies involving closer cooperation amongst GCC countries to address emerging challenges. This volume brings together thirty renowned academics and specialists to examine a range of multifaceted social, political and economic issues facing the GCC in key areas such as:

- Diversification from a high dependency on a narrow hydrocarbon base
- Social transformation, youth employment and effective gender participation
- Outward and inward foreign direct investment flows
- Prospects for education reforms and e-learning.
- Sustainable security in oil, renewable energy (including nuclear) and food
- Corporate governance, transparency and enhancing the private sector's operating environment
- The role and governance of Gulf Sovereign Wealth Funds in investing their surpluses.

The

Access Free Ecopreneuring Putting Purpose And The Planet Before Profits

volume also offers insights for challenges facing the GCC in monetary union, expanding the regional debt market and Sukuk issuance, GCC intellectual property rights application, detailed assessments of individual GCC country risk analysis, as well as the sustainability of long term government fiscal stimulus programs at the expense of private sector involvement.
