This report, produced in partnership with law firm Lewis Silkin, examines employer views and experiences of implementing UK and EU employment law. The discourse about the pros and cons of employment law is often politicised and polarised, with a dominant theme focusing on the need for UK employers to be freed from the burden of 'red tape'.

[Employment regulation in the UK - burden or benefit?](#)

A large part of UK employment law is derived from and grounded in EU law. These include issues such as working time, holiday pay, maternity rights and discrimination. As a member of the EU, the UK cannot currently reduce these rights below the minimum level set by EU law – but they can choose to introduce greater rights.

[Removal of workers' rights in the new EU \(Withdrawal\) -](#)

Most advances in labour rights since 1997 came through EU law, such as paid holidays, information and consultation, or spreading equality. Since 2010, the coalition government continued a programme of labour rights by requiring people take zero hour contracts to get unemployment insurance, and frustrating the right to strike in the Trade Union Act 2016 .
