Exponential Organizations by Salim Ismail Salim Ismail wrote the book Exponential Organizations to teach us how companies whose impact is at least 10x larger than their peers think differently than the rest of us. As angel investor David S. Rose once said, " Any company designed for success in the 20th century is doomed to failure in the 21st. "

Exponential Organizations eBook by Salim Ismail ...

Since then, he has helped organizations disrupt their own industries—by applying Exponential Organization (ExO) principles. From this work emerged the 10-week transformation process explained in this book, called the ExO Sprint. Exponential Transformation is the detailed implementation handbook for becoming an Exponential Organization. The book enables organizations to speed up their transformation and overcome the obstacles to success.
