This week I explored Flashcards by NKO. Not only is there the obvious flashcard section (named review) but there are other free sections like explore, quiz, listen, match, spelling (haven't figured that out yet) and Q battle where the learners get to play against each other. (see photo below) The reason I know it works is because it was really easy to convince the teachers in the staffroom to play and my Grade 9's had smiles the whole time they were playing; and it was on the iThe ...
