Since 2018, there have been several automakers abandoning manual transmission options entirely. People just aren't driving them anymore. Ford enthusiasts can, however, expect a variety of Mustangs to come still equipped with the stick shift. But, as for the pickups, automatic transmissions are the only option.

~~Does the Ford F-150 Come with a Manual Transmission?~~

A 6-speed manual transmission. The 6-speed manual transmission in Focus has been optimised to make gear selection easier, more precise and quieter. It has been specially engineered to improve driving dynamics and reduce fuel consumption, too, helping to make your drive more exhilarating whilst reducing trips to the petrol station.
