G F Handel Messiah

Messiah (HWV 56) is an English-language oratorio composed in 1741 by George Frideric Handel, with a scriptural text compiled by Charles Jennens from the King James Bible, and from the Coverdale Psalter, the version of the Psalms included with the Book of Common Prayer. It was first performed in Dublin on 13 April 1742 and received its London premiere nearly a year later.

Messiah (Handel) - Wikipedia

Messiah, oratorio by German-born English composer George Frideric Handel, premiered in Dublin on April 13, 1742, at Easter rather than at Christmastime, when it is popularly played in the present day. A large-scale semidramatic work for chorus, soloists, and orchestra, it is the source of the familiar ["Hallelujah Chorus"](#).

Authoritative full-score edition of the oratorio that is the best known, most beloved, most performed large-scale musical work in the English-speaking world. Perhaps the finest artistic expression of the deepest aspirations of the Anglican religious spirit. Edited by Alfred Mann. "An indispensable aid to our performances." — Robert Shaw.

George Frideric Handel (1685 – 1759) was a German baroque composer. He spent most of his career in London and became famous for his oratorios, operas, anthems, and organ compositions. Handel was born in the same year as Johann Sebastian Bach and Domenico Scarlatti, and he is commonly hailed as one of the most important composers of the Baroque era. His most notable works include: "Water Music", "Music for the Royal Fireworks", and "Messiah". This book contains one of George Handel's most famous compositions, "Messiah, HWV56", a solo piano oratorio written in 1741. Featuring large, clear note heads and wide margins, this edition is perfect for studying and following the music. Classic Music Collection constitutes an extensive library of the most well-known and universally-enjoyed works of classical music ever composed, reproduced from authoritative editions for the enjoyment of musicians and music students the world over.

G. F. Handel: Messiah: A sacred oratorio arranged for SATB with piano part. Edited, with piano reduction, by Watkins Shaw.

Jonathan Keates original biography of Handel was hailed as a masterpiece on its publication in 1985. This fully revised and updated new edition - published to commemorate the 250th anniversary of the composer's death - charts in detail Handel's life, from his youth in Germany, through his brilliantly successful Italian sojourn, to the opulence and squalor of Georgian London where he made his permanent home. For over two decades Handel was absorbed in London's heady but precarious operatic world. But even his phenomenal energy and determination could not overcome the public's growing indifference to Italian opera in the 1730s, and he turned finally to oratorio, a genre which he made peculiarly his own and in which he created some of his finest works, such as Saul, Messiah, Belshazzar and Jephtha. Over the last two decades a complete revolution in Handel's status has taken place. He is now seen both as a titanic figure in music, whose compositions have found a permanent place in the international repertoire, and as one of the world's favourite composers, with snatches of his work accompanying weddings, funerals and television commercials the world over. Skillfully interwoven with the account of Handel's life are commentaries on all his major works, as well as many less familiar pieces by this most inventive, expressive and captivating of composers. Handel was an extraordinary genius whose career abounded in reversals that would have crushed anyone with less resilience and will power, and Jonathan Keates writes about his life and work with sympathy and scrutiny.

Beginning pianists can have the pleasure of playing one of Western music's most popular pieces with this easy-to-play arrangement, which offers highlights from the work and includes downloadable MP3s.

(Music Sales America). Second violin part realised by Watkins Shaw.

During his lifetime, the sounds of Handel's music reached from court to theater, echoed in cathedrals, and filled crowded taverns, but the man himself—known to most as the composer of Messiah—is a bit of a mystery. Though he took meticulous care of his musical manuscripts and even provided for their preservation on his death, very little of an intimate nature survives. One document—Handel's will—offers us a narrow window into his personal life. In it, he remembers not only family and close colleagues but also neighborhood friends. In search of the private man behind the public figure, Ellen T. Harris has spent years tracking down the letters, diaries, personal accounts, legal cases, and other documents connected to these bequests. The result is a tightly

woven tapestry of London in the first half of the eighteenth century, one that interlaces vibrant descriptions of Handel's music with stories of loyalty, cunning, and betrayal. With this wholly new approach, Harris has achieved something greater than biography. Layering the interconnecting stories of Handel's friends like the subjects and countersubjects of a fugue, Harris introduces us to an ambitious, shrewd, generous, brilliant, and flawed man, hiding in full view behind his public persona.
