The paper stock (not photo/poster quality-post-card type quality) is lower grade-HOWEVER I think that obviously allowed for a much higher volume of content. This is a book full of concert flyers, not a mesmerizing photography collection. Around \$30 for 100 or so music flyers/mini-posters isn't going to get you great art or professional quality.

Although we appreciate all kinds of graphic design here at Union Room, as displayed in our Beautiful Packaging blog post, we certainly are partial to a nice gig poster. Having never designed a gig poster myself, I can only imagine the design challenges that face a creative when undertaking this kind of work. Below are the 101 best gig posters we could find, most of them are from www.gigposters.com so make sure you head on over there to take a look at some of the other posters they have on offer.
