Globalization and Domestic Politics:
Parties, Elections ...

Abstract. This book addresses how a widely acknowledged and pervasive economic and social process, globalization, affects democratic domestic politics among both masses and elites. It inquires into the extent to which, and how, globalization affects the political attitudes and behaviour of ordinary citizens and the policies of political parties. Chapters discuss to what extent globalization affects the salience of left–right politics, the content of party

Read Free Globalization And Domestic Politics

In recent years, globalization has entered a new phase driven by structural shocks from financial crises to the undermining of representative democracy. This is an age of upheaval and disorder epitomized by the rise of Donald Trump to the presidency of the United States, Great Britain ' s unanticipated departure from the European Union (EU), and the rapid growth of populist parties in the established democracies of Europe, as well as in the Southern and Eastern periphery.
