H i., M y name is Geoff Crammond and if you're reading this, it probably means that you've bought Grand Prix 4. Thanks! G and Prix 4 is the latest evolution of the Grand Prix series, which I started writing over 10 years ago. Machines and techniques have changed a lot since then. For example, the sheer scale of the project has increased enormously. Over 60 man-years of effort alone have gone

You can win the World Championship in Grand Prix 3 even at the lowest level starting with all eight Driving Aids turned on (F1 to F8) and with the opposition on their lowest performance level. Then, as you progress through the season, you can begin to turn off some of the Driving Aids, but if you do win the Championship, it will still only be at the lowest level.

Anyhow, Grand Prix World concerns itself with managing an F1 team rather than driving for one, putting it in a field of exactly, er, one game. Sure, most of the driving sims allow you to tinker with the set-up of your car, but how many let you decide which catering firm to use at each race? I Wish I Could Drive . The first thing that hits you is how weird the music is. It sounds like Phillip ...
