The Malloreon Series by David Eddings - Books One to Five. 1 - Guardians of the West (1st edition 1987). 2 - King of the Murgos (1st edition 1988). 3 - Demon Lord of Karanda (1st edition 1988). 5 - The Seeress of Kell (1st edition 1991).

The company must track down Zandramas, who has stolen Garion's baby son and plans to use him in a plot to make Dark Destiny rule supreme, but their quest to halt an evil prophecy is challenged at every turn

As the bestselling THE Mallorean series contnues, Garion is pursuing Zandramas, in the form of a great dragon flying over them, across the known world. With the forces of evil threatening on both sides, Garion still had to get to the Place Which is No More, as the Seeress of Kell had warned, but they had no idea where that might be...

Garion, the King of Riva, finds himself caught between the Dark Prophecy and the Prophecy of Light when he searches a previously obscure part of the Mirin Codex to identify someone or something called Zandramas

An omnibus edition containing the first three novels in the best-selling fantasy series, The Malloreon, follows the adventures and exploits of Garion and his companions in Guardians of the West, King of the Murgos, and Demon Lord of Karanda. Original. 20,000 first printing.

Guided by the Orb of the God Aldur, Garion and Ce'Nedrea begin a great quest to rescue their kidnapped child. Making their way through the foul swamps of Nyissa, then into the lands of the Murgos, they must ultimately face a horrible danger--to themselves and all mankind...

Time was running out for Garion and his companions in their quest to recover Garion's infant son and heir. If they could not locate the Place Which Is No More, then Zandramas, the Child of Dark, would use Garion's son in a rite that would raise the Dark Prophecy to eternal dominion over the universe. Only the Seeress of Kell could reveal the site of that mysterious place - and that she could do only once Garion and Polgara had fulfilled an ancient propcey in the mountain fastness of the Seers. Kell itself was closed to Zandramas - but her dark magic could force the knowledge she needed from one of Garion's party. She laid her traps and dispatched her foul minions, determined to claim the world for the Dark God. But Garion would let nothing stand between him and his son.

Remembering a past time when the gods walked the lands among mortals, an ancient man known as the Old Wolf recounts the tale of his youth, during which he witnessed the strife that split the world in two

Eleven years after being crowned King of Riva, Garion again finds himself a pawn caught between two ancient prophecies with the fate of the world resting upon him.

Sparhawk, who is in possession of the magical sapphire that can help him save Queen Ehlana, must first dodge the powers of the evil god Azash

Comprising the ancient texts of The Belgariad and The Malloreon, The Rivan Codex is a book which stands in the same relationship to the Belgariad and Malloreon as The Silmarillion does to The Lord of the Rings and The Hobbit.
