Hank Aaron: Brave in Every Way. On April 8, 1974, America watched as Hank Aaron stepped up to the plate and hit home run number 715! With that hit, he surpassed Babe Ruth's legendary baseball record and realized a lifelong dream. Before blacks were allowed in the major leagues, Hank was determined to play.

A biography of the Hall of Fame baseball player who broke Babe Ruth's career home run record.

A biography of the Hall of Fame baseball player who broke Babe Ruth's career home run record.

This first book in a series about fictional encounters between children and their sports heroes features home-run legend Hank Aaron. In this gorgeously illustrated picture book, Mark, a young boy who idolizes Aaron, meets his hero and learns that there's more to being a great baseball player than hitting the ball out of the park.

A picture book biography of African-American baseball player Hank Aaron.

In the days before performance-enhancing substances, the great Hank Aaron hit a career-record 755 home runs, a mark he held for 33 years. Hammerin' Hank began his baseball career in the Negro Leagues when black players were still banned from Major League Baseball. Hank played for 23 years in Milwaukee and Atlanta and made the All-Star team in both the National and American Leagues for 20 straight years.

The Classic New York Times Bestseller The man who shattered Babe Ruth's lifetime home run record, Henry "Hammering Hank" Aaron left his indelible mark on professional baseball and the world. But the world also left its mark on him. I Had a Hammer is much more than the intimate autobiography of one of the greatest names in pro sports—it is a fascinating social history of twentieth-century America. With courage and candor, Aaron recalls his struggles and triumphs in an atmosphere of virulent racism. He relives the breathtaking moment when, in the heat of hatred and controversy, he hit his 715th home run to break Ruth's cherished record—an accomplishment for which Aaron received more than 900,000 letters, many of them vicious and racially charged. And his story continues through the remainder of his milestone-setting, barrier-smashing career as a player and, later, Atlanta Braves executive—offering an eye-opening and unforgettable portrait of an incomparable athlete, his sport, his epoch, and his world.

Describes the racial prejudice experienced by Jackie Robinson when he joined the Brooklyn Dodgers and became the first black player in Major League baseball and depicts the acceptance and support he received from his white teammate Pee Wee Reese.

A New York Times bestseller! A visit to Washington, DC’s National Portrait Gallery forever alters Parker Curry’s young life when she views First Lady Michelle Obama’s portrait. When Parker Curry came face-to-face with Amy Sherald’s transcendent portrait of First Lady Michelle Obama at the National Portrait Gallery, she didn’t just see the First Lady of the United States. She saw a queen—one with dynamic self-assurance, regality, beauty, and truth who captured this young girl’s imagination. When a nearby museum-goer snapped a photo of a mesmerized Parker, it became an internet sensation. Inspired by this visit, Parker, and her mother, Jessica Curry, tell the story of a young girl and her family, whose trip to a museum becomes an extraordinary moment, in a moving picture book. Parker Looks Up follows Parker, along with her baby sister and her mother, and her best friend Gia and Gia’s mother, as they walk the halls of a museum, seeing paintings of everyone and everything from George Washington Carver to Frida Kahlo, exotic flowers to graceful ballerinas. Then, Parker walks by Sherald’s portrait of Michelle Obama...and almost passes it. But she stops...and looks up! Parker saw the possibility and promise, the hopes and dreams of herself in this powerful painting of Michelle Obama. An everyday moment became an extraordinary one...that continues to resonate its power, inspiration, and indelible impact. Because, as Jessica Curry said, “anything is possible regardless of race, class, or gender.” \*\*FOREWORD BY ARTIST AMY SHERALD\*\*

During their thirteen years in Wisconsin, the Milwaukee Braves never endured a losing season, won two National League pennants, and in 1957 brought Milwaukee its only World Series championship. With a lineup featuring future Hall of Famers Henry Aaron, Warren Spahn, Eddie Matthews, Red Schoendienst, and Phil Niekro, the team immediately brought Milwaukee "Big League" credentials, won the hearts of fans, and shattered attendance records. The Braves' success in Milwaukee prompted baseball to redefine itself as a big business—resulting in franchises relocating west, multi-league expansion, and teams leveraging cities for civically funded stadiums. But the Braves' instant success and accolades made their rapid fall from grace after winning the 1957 world championship all the more stunning, as declining attendance led the team to Atlanta in one of the ugliest divorces between a city and baseball franchise in sports history. Featuring more than 100 captivating photos, many published here for the first time, Milwaukee Braves preserves the Braves' legacy for the team's many fans and introduces new generations to a fascinating chapter in sports history.

The auto-biography of the greatest homerun hitter of the modern era.
