What sixteen-year-old Elizabeth has lost so far: forty pounds, four jean sizes, a boyfriend, and her peace of mind. As a result, she ' s finally a size zero. She ' s also the newest resident at Wallingfield, a treatment center for girls like her—girls with eating disorders. Elizabeth is determined to endure the program so she can go back home, where she plans to start restricting her food intake again.She ' s pretty sure her mom, who has her own size-zero obsession, needs treatment as much as she does. Maybe even more. Then Elizabeth begins receiving mysterious packages. Are they from her ex-boyfriend, a secret admirer, or someone playing a cruel trick? This eloquent debut novel rings with authenticity as it follows Elizabeth ' s journey to taking an active role in her recovery, hoping to get back all that she lost.

Kat is just like other fourteen-year-old girls. Except that this summer, she's taking charge of her life and finally losing weight. But can she do it?

Home is where the heart is... Seven years after leaving town and the only girl he loved, Cooper still couldn't forget about Sophia. He had two loves. Music and the woman of his dreams. Coming back home proved that would always be true. But things have changed. Now he has to gain her trust again if he wants to make her all his. The question is, did he lose his chance the first time? Some things are hard to forget... Sophia tried to stop loving Cooper and failed miserably. Despite the way he'd abandoned her seven years earlier, she can't seem to stay away, even though trusting him doesn't prove easy. One careless night could change it all and the secret she carries may ruin any chance of them being together. They say life is all about taking chances. But when opportunities are lost and love comes knocking the second time around, lives are changed forever.
