Christopher Isherwood (26 August 1904 - 4 January 1986) was an Anglo-American novelist, playwright, screenwriter, autobiographer, and diarist. His best-known works include *Goodbye to Berlin* (1939), a semi-autobiographical novel which inspired the musical *Cabaret*, *A Single Man* (1964) adapted as a film by Tom Ford in 2009, and *Christopher and His Kind* (1976), a memoir which "carried him into ...

### Christopher Isherwood - Wikipedia

Christopher Isherwood (1904-1986) was one of the most prominent writers of his generation. He is the author of many works of fiction, including *All the Conspirators*, *The Memorial*, *Mr. Norris Changes Trains*, and *Goodbye to Berlin*, on which the musical *Cabaret* was based, as well as works of nonfiction and biography.

Isherwood was the grandson and heir of a country squire, and his boyhood was privileged. With a school friend, Wystan Auden, he wrote three plays--*The Dog Beneath the Skin* (1932), *The Ascent of F6* (1936), and *On the Frontier* (1938). Isherwood tells the story in his first autobiography, *Lions and Shadows*.

### Christopher Isherwood (Author of A Single Man)

Christopher Isherwood, Anglo-American novelist and playwright best known for his novels about Berlin in the early 1930s. After working as a secretary and a private tutor, Isherwood gained a measure of coterie recognition with his first two novels, *All the Conspirators* (1928) and *The Memorial*

### Christopher Isherwood | British-American author | Britannica

Isherwood was the grandson and heir of a country squire, and his boyhood was privileged. Nevertheless, he suffered the peculiarly English privations of distant parents, boarding school at eight, and the loss of his father in the Great War.

Isherwood confirms this in his 1976 memoir *Christopher and His Kind*, writing, "[I] liked the sound of it and also the looks of its owner." Adaptations. The novel was adapted into a Broadway play called *I Am a Camera* by John Van Druten (1951). It was a ...

An examination of the changing relationship between the writer and his protagonists, exploring how Isherwood's fiction achieves artistic integration and literary significance only when it reflects his personal concerns through theme and technique as he experiments with new narrative strategies.

This comprehensive and accessible reference work serves Isherwood scholars who need quick access to people, places, novels, stories, essays and plays, introduces Isherwood to those who know little of him, expands the knowledge of the literate general reader, and refreshes teachers of literature with Isherwood details. Entries on Isherwood's most influential friends, including W.H. Auden, Aldous Huxley and Stephen Spender, are significant. Included are all of the monumental "roles" Isherwood exemplified during his life--writer, rebel, gay-activist hero, and proud exponent of the Eastern philosophy known as Vedanta.

To many readers Christopher Isherwood means Berlin. The author of *Goodbye to Berlin* (1939), the British Isherwood found fame through the adaptation of that work into the stage play and film *I Am a Camera* and then into the stage musical and film *Cabaret*. Throughout his career he was a keen observer, always seemingly in the right place at the right time. Whether in Berlin in the 1930s or in Los Angeles in the 1960s and 1970s, Isherwood (1904--86) reflected on his life and his world and wrote perceptive commentary on contemporary European and American history and culture. His ties to California made him more American than British. "I have spent half my life in the United States," he said. "Los Angeles is a great place for feeling at home because everybody's from someplace else." Isherwood can be credited for helping make L.A. an acceptable setting for serious fiction, paving the way for John Rechy, Joan Didion, Paul Monette, and Bernard Cooper, among others. The interviews in this volume--two of which have never before been published--stretch over a period of forty years. They address a wide range of topics, including the importance of diary-keeping to his life and work; the interplay between fiction and autobiography; his turning from Christianity to Hinduism; his circle of friends, including W. H. Auden, Aldous Huxley, and E. M. Forster; several important places in his life--Berlin, England, and California; and his homosexual identity. These interviews are substantive, smart, and insightful, allowing the author to discuss his approach to writing of both fiction and nonfiction. "More and more," he explains, "writing is appearing to me as a kind of self-analysis, a finding-out of something about myself and about the past and about what life is like, as far as I'm concerned: who I am, who these people are, what it's all about." This emphasis on self-discovery comes as no surprise from a writer who mined his own diaries and experiences for inspiration. As an interviewee, Isherwood is introspective, thoughtful, and humorous. James J. Berg is the program director for the Center for Teaching and Learning, Minnesota State Colleges and Universities. Chris Freeman is an assistant professor of English at St. John's University. Berg and Freeman are editors of *The Isherwood Century: Essays on the Life and Work of Christopher Isherwood*, which was a finalist for the 2001 Lambda Literary Award for Gay Studies.

Isherwood's classic story of Berlin in the 1930s - and the inspiration for *Cabaret* - now in a stand-alone edition. First published in 1934, *Goodbye to Berlin* has been popularized on stage and screen by Julie Harris in *I Am a Camera* and Liza Minelli in *Cabaret*. Isherwood magnificently captures 1931 Berlin: charming, with its avenues and cafés; marvelously grotesque, with its nightlife and dreamers; dangerous, with its vice and intrigue; powerful and seedy, with its mobs and millionaires - this was the period when Hitler was beginning his move to power. *Goodbye to Berlin* is inhabited by a wealth of characters: the unforgettable and "divinely decadent" Sally Bowles; plump Frau"lein Schroeder, who considers reducing her Bu"steto relieve her heart palpitations; Peter and Otto, a gay couple struggling to come to terms with their relationship; and the distinguished and doomed Jewish family, the Landauers.

Best known for *Goodbye to Berlin* -- the inspiration for the Tony and Oscar award-winning musical *Cabaret* -- Christopher Isherwood has always been considered both a literary and a gay pioneer. That is truer now than ever. Readers of his plays, novels, and diaries continue to discover Isherwood's lasting contribution to twentieth-century culture, literature, autobiographical fiction, and memoir, to gay rights, and to twentieth-century culture.

Piazza takes a close look at the intensely personal world of Isherwood's nine novels, examining the anti-mythic elements at the foundation of this ironist's oeuvre: the revolt against his mother, the rejection of his hero-father, destroyed by the senseless heicism of the Great War, and Isherwood's homosexual rebellion against the heterosexual dictatorship of the state, the church, the law, and the press.

Welcome to sunny suburban 1960s Southern California. George is a gay middle-aged English professor, adjusting to solitude after the tragic death of his young partner. He is determined to persist in the routines of his former life. A Single Man follows him over the course of an ordinary twenty-four hours. Behind his British reserve, tides of grief, rage, and loneliness surge--but what is revealed is a man who loves being alive despite all the everyday injustices. When Christopher Isherwood's *A Single Man* first appeared, it shocked many with its frank, sympathetic, and moving portrayal of a gay man in maturity. Isherwood's favorite of his own novels, it now stands as a classic lyric meditation on life as an outsider.

A two-in-one volume containing the works *The Last of Mr. Norris* and *Goodbye to Berlin* finds the characters of Sally Bowles, Fräulein Schroeder, and the doomed Landauers caught up by the nightlife, danger, and mystique of 1931 Berlin. Reprint. 10,000 first printing.

An indispensable memoir by one of the most prominent writers of his generation Originally published in 1976, *Christopher and His Kind* covers the most memorable ten years in the writer's life--from 1928, when Christopher Isherwood left England to spend a week in Berlin and decided to stay there indefinitely, to 1939, when he arrived in America. His friends and colleagues during this time included W. H. Auden, Stephen Spender, and E. M. Forster, as well as colorful figures he met in Germany and later fictionalized in his two Berlin novels--and who appeared again, fictionalized to an even greater degree, in *I Am a Camera* and *Cabaret*. What most impressed the first readers of this memoir, however, was the candor with which he describes his life in gay Berlin of the 1930s and his struggles to save his companion, a German man named Heinz, from the Nazis. An engrossing and dramatic story and a fascinating glimpse into a little-known world, *Christopher and His Kind* remains one of Isherwood's greatest achievements.

Traces Isherwood's development from an idealistic young man of the 1920s to his present position as a gay-rights activist, giving careful consideration to all of his writings, including his acclaimed portrait of fascist Germany
