The Story of a Legend & Pat Foster's award-winning The Story of Jeep is back - bigger, more colorful, and more complete than ever. With updates on models from 2000 through 2005, Foster's new tribute to "the world's greatest fighting machine" is an essential part of any Jeep lover's library. In this history-packed, full-color second edition, the country's preeminent Jeep writer and historian details Jeep's roller-coaster history, from the early war-time prototypes, to the Kaiser and AMC eras, to the big buyout by Chrysler. With the help of more than 400 photos, Foster expertly tells the tale of how Jeep has evolved from a military workhorse, to 4x4 pioneer, to popular family hauler, all the while retaining its place as a great American icon.

Adapted from a spartan military design, Jeep is today an integral part of the DaimlerChrysler family and a major player in the SUV market. This color history profiles Jeep's remarkable evolution, from the delivery of the first Willys Overland model to Allied military services in 1941, through its years as the bedrock of American Motors, and on to its acquisition by Chrysler. Striking color photography and evocative archival images of classic Jeeps from throughout the years depict such popular and collectible models as CJs, pickups, Jeepsters, Forward Control trucks, military Jeeps, Wagoneers, Cherokees, and Wranglers.

Entries for each vehicle include such information as a history of changes to a model, where the vehicle was made, shipping weight, factory price, and seating accommodations

Fill It With Regular is a new collection of poetry from the author, and artist, Robert Benefiel. The poems included in this tome were all written when the author began to normalize his life after a long battle of depression. Looking not to candy coat life, but to derive his own meaning for living from it, this book looks for the joy possible while reasoning out the sometimes unsettling realities that can accompany any life no matter what the station or circumstances. Whether straight forward or surreal, derived from a past moment or a moment that never happened, the poems offer the reader a steady look at a person salvaging joy from the wreckage of existence.

20 titles at the late kindergarten level.

Detailed descriptions of the production jeep and its capabilities, production changes and equipment, special-purpose Jeeps, and offers specifications drawn up by the Quartermaster Corps Committee for Ford and Bantam.

Many people involved in church life are on the lookout for ways of keeping weekly worship fresh and vital. Over the last few years, several groups have pioneered inventive new services, with the aim of creating truly authentic worshipping communities. Brian and Kevin Draper, who helped dream one such service into life, ask what we can learn from our experience of church worship, whether it is in new or traditional settings. They consider the theoretical and practical implications of revitalising worship for people of all ages and, throughout the book, they provide many examples of how, in very simple ways, we can start to make a difference. They show how, with fresh visions and resources, we can inspire not only those with whom we worship regularly, but even

those outside the church altogether.
