has been moved to a holding tank aboard the Dubai-Land transport ship, Tonga for its journey to the Middle East. While the Crown Prince's investors gawk at the creature, below deck in the tanker's hold, another captured beast is awakened from its drug-induced state and goes on a rampage. The vessel sinks, the Lio escapes At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Learn about numbers, colors, animals, and more with the characters from Baby Einstein! This take-along library comes in a carrying case with a plastic handle for easy transport and storage. Just-my-size pages are perfect for little hands and help lead to a lifelong love of reading. Share hours of early learning fun with your little one!

The Road to Kalamata is the real-life adventure story of the 4 Commando team of mercenary soldiers, as told by their leader, Col. Mike Hoare. At the close of 1960, the newly formed independent state of Katanga in central Africa recruited Hoare and his team to suppress a rebellion by the Baluba, a fierce tribe of warriors rumored to be cannibals and known to torture and dismember any enemy soldiers unlucky enough to be captured. The events recounted in this book occurred in the Congo during the Katanga campaign of 1961. With insight that only an officer with extensive battlefield experience can bring to this subject, Colonel Hoare chronicles the metamorphosis of 4 Commando from a loose assembly of individuals into a highly organized fighting unit, while also taking the reader inside the minds and hearts of men who sell their military skills for money. What emerges is a compelling and complex portrait of genuine adventurers, "a breed of men which," writes Hoare, "has almost vanished from the face of the earth." Paladin Press is pleased to make available once again this engaging, colorful and thoughtful account, originally published in 1989, complete with a new foreword by the 20th century's most famous mercenary and one of its most eloquent storytellers.

Today's global politics demands a new look at the concept of territory. From so-called deterritorialized terrorist organizations such as al-Qaeda to U.S.-led overthrows of existing regimes in the Middle East, the relationship between territory and sovereignty is under siege. Unfolding an updated understanding of the concept of territory, Stuart Elden shows how the contemporary "war on terror" is part of a widespread challenge to the connection between the state and its territory. Although the importance of territory has been disputed under globalization, territorial relations have not come to an abrupt end. Rather, Elden argues, the territory/sovereignty relation is being reconfigured. Traditional geopolitical analysis is transformed into a critical device for interrogating hegemonic geopolitics after the Cold War, and is employed in the service of reconsidering discourses of danger that include "failed states," disconnection, and terrorist networks. Looking anew at the "war on terror"; the development and application of U.S. policy; the construction and demonization of rogue states; events in Lebanon, Somalia, and Pakistan; and the wars continuing in Afghanistan and Iraq, *Terror and Territory* demonstrates how a critical geographical analysis, informed by political theory and history, can offer an urgently needed perspective on world events.

This highly accessible and enjoyable guide is full of practical and fascinating information about how to enjoy whisky. All whisky styles are covered, including (just whisper it) blends. Along the way a good few myths are exploded, including the idea that whisky has to be taken neat. In 'What to Drink', Dave Broom explores flavour camps - how to understand a style of whisky - and moves on to provide extensive tasting notes of the major brands, demonstrating whisky's extraordinary diversity. In 'How to Drink', he sets out how to enjoy whisky in myriad ways - using water and mixers, from soda to green tea; and in cocktails, from the Manhattan to the Rusty Nail. He even looks at pairing whisky and food. In this spirited, entertaining and no-nonsense guide, world-renowned expert Dave Broom dispels the

mysteries of whisky and unlocks a whole host of exciting possibilities for this magical drink.

The beloved literary iconoclast delivers a fresh twenty-first century primer on tarot that can be used with any deck. While tarot has gone mainstream with a diverse range of tarot decks widely available, there has been no equally mainstream guide to the tarot—one that can be applied to any deck—until now. Infused with beloved iconoclastic author Michelle Tea's unique insight, inviting pop sensibility, and wicked humor, *Modern Tarot* is a fascinating journey through the cards that teaches how to use this tradition to connect with our higher selves. Whether you're a committed seeker or a digital-age skeptic—or perhaps a little of both—Tea's essential guide opens the power of tarot to you. *Modern Tarot* doesn't require you to believe in the supernatural or narrowly focus on the tarot as a divination tool. Tea instead provides incisive descriptions of each of the 78 cards in the tarot system—each illustrated in the charmingly offbeat style of cartoonist Amanda Verwey—and introduces specially designed card-based rituals that can be used with any deck to guide you on a path toward radical growth and self-improvement. Tea reveals how tarot offers moments of deep, transformative connection—an affirming, spiritual experience that is gentle, individual, and aspirational. Grounded in Tea's twenty-five years of tarot wisdom and her abiding love of the cards, and featuring 78 black and white illustrations throughout, *Modern Tarot* is the ultimate introduction to the tradition of the tarot for millennial readers.

Based on the successful *Baby Owner's Manual*, *The Baby Owner's Maintenance Log* presents a refreshing alternative to traditional sugar-sweet baby journals. Hip parents can record all major milestones and measurements in these pages, including the arrival of the unit, fuel preferences and speech activation. Spiral binding, hilarious illustrations and a bound-in envelope for keepsakes make this guided journal a great shower gift.

You know what happens when bad boys get what they wish for? Everything. . . New York Times Bestselling Author Lori Foster *Playing Doctor Attitude* makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There's that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her . . . admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else. . . USA Today Bestselling Author Erin McCarthy *The Lady of the Lake* Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body. Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go. . .

Explores the range of diagnoses found on inpatient psychiatric units providing practical advice in an accessible format for managing patients.
