Just mentioned was the dash  
being nice and simple -  
Kymco do have a Noodoe  
system on other scooters

# Online Library Kymco Like 125 Service Manual

which is incredible as a user interface, but unfortunately not on the Like 125 which opts for a digital and analogue display which works well. I'm hoping future editions of the scooter have the Noodoe fitted as it's a great feature.
