Le Clan des Nocturnes Tome 3 : Elijah - Label Emmaüs

N'ayant que moyennement aimé le tome 1 et quasiment pas apprécié le tome 2, c'est presque avec crainte que j'ai lu ce troisième volet consacré au clan des Nocturnes. Hé bien je dois dire que ce livre-là est encore plus "bavard" que les précédents !

Since time began, there have been Nightwalkers--the races of the night who live in the shadows of the moonlight. Love with humans is absolutely forbidden, and one man makes certain to uphold this ancient law: Jacob, the Enforcer. . . For 700 Years, He Has Resisted Temptation. But Not Tonight. . . Jacob knows the excuses his people give when the madness overtakes them and they fall prey to their lust for humans. He's heard every one and still brought the trespassers to justice. Immune to forbidden desires,

uncontrollable hungers, or the curse of the moon, his control is total. . .until the moment he sees Isabella on a shadowy New York City street. Saving her life wasn't in his plans. Nor were the overwhelming feelings she arouses in him. But the moment he holds her in his arms and feels the soft explosion of her body against his, everything changes. Their attraction is undeniable, volatile, and completely against the law. Suddenly everything Jacob has ever believed is inflamed by the heat of desire. . . Bring on the night. "Jacqui Frank's Nightwalker series depicts an engrossing alternate world, drawn in prose that is lush and lyrical." --Linda Howard

Ces démons vous feront chavirer le cœur... Puissant et impitoyable, Elijah est un féroce soldat qui a fait le serment de protéger les siens. Maître incontesté dans le maniement des armes, il n'a jamais perdu un combat... jusqu'à ce que des nécromanciennes lui tendent un piège et le laissent pour mort. Lorsque Siena, la reine des lycanthropes, le retrouve, elle pourrait lui assener le coup de grâce. Mais entre ces anciens ennemis, séparés par trois siècles de guerre, va naître une étrange attirance... Une passion interdite. « Jacquelyn Frank est un excellent nouveau talent. J'attends avec impatience son prochain livre. » Sherrilyn Kenyon

New York Times Bestseller Dear Reader, Please note that the text of this story, ELIJAH by Jacquelyn Frank, begins on page 7. The first six pages are the teaser copy, the Also By The Author page, the title page, the copyright page and the dedication. Also on the inside front cover, it lists NOAH as available now. That title will be published in September, 2008. Sorry for any confusion. They are called the Demons, one of the elusive Nightwalker races living in shadow and struggling for survival against their human enemies. Their proudest warrior is Elijah, a man who bends for nothing and no one. . .until one woman brings him to his knees. . . Some Feelings You Just Can't Fight He is known as the Warrior Captain--a master of every weapon, a fierce soldier sworn to protect his kind. Powerful, relentless, merciless, Elijah has always won every battle he's ever taken on--until now. Ambushed by necromancers, he is left for dead only to be discovered by the woman who could very well deliver the final blow. . .Siena, the Lycanthrope Queen. With three centuries of warring, little more than a decade of uneasy peace has existed between the Lycanthropes and Elijah's people. Now, after a lifetime of suspicion, the warrior in Elijah is consumed with a different battle--winning Siena's heart by giving her pleasure beyond all boundaries. What starts as attraction and arousal soon burns into a passion with consequences that will echo through the ages for both their people. And as would-be enemies become inseparable lovers, another threat approaches, one with the power to destroy them all. . . Surrender to the night.

The Nightwalkers have lived in the shadows of our world for centuries, gifted with abilities few humans

can comprehend. For Noah, duty is all--until he meets the woman who is his destiny. . . She Will Take Him Beyond His Wildest Dreams. As Demon King, Noah is dedicated to protecting his kind from their human and Nightwalker enemies. Yet for six months he has struggled with vivid dreams that threaten his very sanity. Every night he's tormented by images of a woman both achingly real and tantalizingly beyond his grasp. And his bone-deep need leaves him no choice but to force her to leave the life she's known and enter a world beyond her imagining. . . Every day, Kestra risks her life in perilous missions that veer just shy of the law, but she instinctively knows that the imposingly sensual figure before her is a danger unlike any she's ever faced. Kestra has sworn never to trust or need another man, but Noah's lightest touch scorches her with fevered desire, branding her as his mate, blinding them both to the terrifying truth. For within the ranks of their own people lies an adversary growing in number and power. And nothing and no one will be safe again. . . Desire awakens at night. . .

They're called the Nightwalkers--proud, ancient beings who live in the shadows, existing just beyond the human world. But there are also dangerous humans who hunt them--necromancers who use the blackest magic to manipulate them. And for a Demon named Gideon, the battle against these evil forces will soon be all too personal. . . As A Healer, He Knows Her Body. But It's Her Heart He Wants. For a thousand years, Gideon has healed his people. And as the oldest surviving male of his race, his wisdom has always been respected without question. But Gideon knows that even he is vulnerable to the powerful, primitive desires that befall his kind during Hallowed moons--and nine years ago that truth was hammered home when he found himself claiming Magdalegna, the Demon King's sister, in a wild embrace. Horrified by his lack of control, he left her wanting and furious--and then exiled himself for the better part of a decade. Now, with necromancers threatening his people--and Magdalegna nearly their victim--Gideon must face another truth. He and the beautiful, stubborn Magdalegna are destined to be together, to share a love as deep and old as time itself. But first he needs to regain her trust. Then he'll have to save her life. . . Every night holds secrets. "Jacquelyn Frank's NIGHTWALKER series depicts an engrossing alternate world, drawn in prose that is lush and lyrical." --Linda Howard

They are the Nightwalkers, mysterious beings who dwell in the shadows of our world, and Damien, the Vampire Prince, is among the most powerful of them all. But one woman will tempt him with a desire unlike anything he has known, and together they will face a terrifying relentless foe . . . As reigning Vampire Prince, Damien has tasted every pleasure the world has to offer - consorting with kings and queens and delighting in sensual adventure. succeeds in rescuing her, but is unprepared for the erotic longing her lush sensuality awakens in him.

Hunted by magic, beset by evil, the Nightwalkers face their darkest hour yet. And when the unthinkable happens, only one legendary male has the power, the will, to save them: Adam. . . For 400 Years He Was Lost To Her, But He Is Hers Tonight. . . From their first tantalizing touch, Jasmine knows he is different. What other lover could unlock her tight control, flood vampire senses jaded by a lifetime of decadent self indulgence? Centuries ago, when he disappeared without a trace, she had given up hope of ever fulfilling the promise of incomparable passion. But here he is, against the very laws of nature, ready to bring down their most vicious enemy, ready to bring her blood to the boiling point. . .if she will only let him. Pleasure rules the night. From New York Times bestselling author Jacquelyn Frank comes the final chapter in the Nightwalkers saga! As the momentous showdown with a powerful demon unfolds, a passionate encounter breaks the ultimate taboo. Kamen is a Bodywalker, an ancient soul reborn in one human host after another. He's also a prisoner of his own kind: for it was Kamen who released Apep, the deadly god who threatens the existence of their world. To atone for this grievous error, Kamen accepts an urgent mission: to convince the other nations of the Nightwalkers to set aside their centuries-old conflicts and band together. If he fails, all will be lost. And no tribe presents a greater challenge than the Wraiths, the spectral beings who are feared and despised for their lethal deathtouch. Kamen makes first contact with a stunning, ghostly pale beauty named Geneviève. Part Wraith and part human, scorned as a half-breed, Viève shares the hunger for redemption—and for connection. Her scintillating touch holds the kiss of death, and yet it makes Kamen feel more alive than ever. Soon his lips are pressed against hers, sending Viève into fits of desire and forging a bond that breaches the divide between them. Now they must unite all the Nightwalkers, from Vampire and Shadowdweller to Djynns, and fast—for Apep is ready for war.
