Do you need to explain macroeconomics in the classroom? Would your students know what a hurdle rate is? This new edition of the Longman Business English Dictionary gives students an in-depth knowledge of all the vocabulary they need to survive in today's fast-paced business environment, whether they are students of business English or people already in work. You and your students will find it easy to understand complex business terms because all definitions are written using just 2000 common words, making even the most difficult business jargon clear and easy to understand. Make sure you know the latest buzz-words - this fully revised edition is completely up-to-date. Students learn real-world business English from thousands of example sentences which are taken from authentic business English sources. Improve your students' chances of success in the BEC and BULATS exams, by introducing them to the interactive exam practice on the CD-ROM.

often find that the most useful information is found in sidebars, tips, and notes. In a Killer Tips book, there's nothing to weed through: it's all sidebars, tips, and notes! Here, Scott Kelby gives you only the best tips and info on Mac OS X Leopard, covering all of the new features, including Time Machine, the revolutionary and completely unique backup system; Spaces, which allows the user to totally customize different window configurations based on their needs; Spotlight, which now allows the user to search across an entire network (not just the user's computer); and much more. Scott Kelby's trademark style—both direct and humorous—is easily accessible to all readers, who will appreciate all the great information here, as well as the book's clear and focused presentation.
