A loose leaf is a piece of paper that is not bound in place, or available on a continuous roll,  
but typically punched so as to be organized in a ring binder. Loose leaves may be sold as free  
sheets, or made up into notepads, where perforations allow them to be removed easily. "Leaf"  
in many languages refers to a sheet or page of paper, as in Folio, as in feuille de papier, hoja  
de papel, foglio di carta.
