This book introduces Nature-  
centered visionaries who  
have demonstrated that it is  
possible to influence the  
way humans view and act with  
Nature. Their visions  
contribute to an  
aspirational narrative—a  
hopeful story—where humans  
are living in harmony with  
Nature.

Nature-centered Leadership is a book for those who aspire to reflect on their relationship with Nature while influencing others to do the same. Nature-centered leadership is not a category of leadership style per se—it is a process by which we build an aspirational narrative with others for a more sustainable future.
