Plate to Pixel: Digital Food Photography and Styling ...

I am an avid consumer of food blogs. I read about 25 food blogs religiously and see a lot of food photography. More and more, food blogs are becoming uniform, with the same distressed-wood platforms and soft-light setups and props that suggest a rustic country kitchen turning out classic dishes for a group of close friends and family gathered around a centuries-old table used by generations past.

Takes you through the art and techniques of appetizing food photography for everyone from foodies to food bloggers to small business owners looking to photograph their food themselves Whets your appetite with delicious advice on food styling, lighting, arrangement, and more Author is a successful food blogger who has become a well-known resource for fellow bloggers who are struggling with capturing appetizing images of their creations So, have the cheese say, "Cheese!" with this invaluable resource on appetizing food photography.

"You eat with your eyes first, and no one turns a photograph of food into a culinary masterpiece like a food stylist. Food Styling for Photographers is the next best thing to having renowned food stylist Linda Bellingham by your side. Linda has worked with clients Baskin Robbins Ice Cream, McDonald's, Tyson Foods, FritoLay, and many, many more. Professional photographer Jean Ann Bybee has worked with Harry & David, Dominos, Sara Lee, Seven-Up Company, and more. Jean Ann provides a seasoned photographer's point of view with helpful tips throughout. If you are hungry for unique photo assignments and want to expand your portfolio, this guide provides the well-kept secrets of food styling techniques that can make your photos good enough to eat. Each chapter covers step-by-step instructions with mouth-watering photographs illustrating techniques for the creation of hero products that photographers at any level can whip up. Bon App\u00e9tit!

Do you need help making your food look as delicious as it tastes? Are you a \u2022foodie\u2022 hungry for more tantalizing photos of your culinary creations? Do you have a food blog that you'd like to take to the next level, with better images and a stronger business strategy? Then this book is for you! In Food Photography: From Snapshots to Great Shots, Second Edition, photographer Nicole Young returns to dish up the basics on everything you need to know to make great food images, from getting the right camera equipment to mastering the key photographic principles of aperture, ISO, and shutter speed. She offers tips on styling food using props, fabrics, and tabletops; and she explains how to improve your photos through editing after the shoot. This new edition features many brand-new images and examples, accompanied by up-to-date discussions on achieving good lighting and composition. In addition Nicole covers developments in the industry that have emerged since the publication of the first edition, such as the entry of mirrorless cameras on the scene, and more. She also provides a brand new post-processing section focusing on Photoshop Lightroom, showing how to improve your photos through sharpening, color enhancement, and other editing techniques. Beautifully illustrated with large, vibrant photos, this book offers the practical advice and expert shooting tips you need to get the food images you want every time you pick up your camera.

Thanks to the exploding popularity of food-based television shows (entire networks, even), websites, books, and magazines, food stylists and food photographers are in more demand today than ever before. While there are many amazing opportunities for creative professionals to showcase their work in ads, cookbooks, blogs, and food packaging, there is also more competition for these jobs. Whether you are a food stylist who works alongside photographers or a food photographer yourself, you'll find everything you need to know to give your portfolio that little extra push in this expert guide by three professionals with decades of experience in each field. More Food Styling for Photographers covers topics that Linda, Jean Ann, and Brad's fans have been asking for, such as shooting food on location, working with packaged foods, building the perfect breakfast shot, and more. Clients and foodies eat with their eyes first, so don't be afraid to play with your food - make sure it's YOUR image that whets their appetite!

The authoritative and comprehensive guide to the art and craft of food styling Based on her 30 years of experience in food styling for advertising, magazines, books, and films, Delores Custer presents the definitive lifelong reference on food styling-complete with lists of handy tools and vital equipment, recipes for artificial foods, and guidelines for running a successful food styling business. Full of ingenious advice on styling in any media and packed with full-color photographs, Food Styling reveals every trick of the trade, from making a beverage appear to sweat to producing those perfect grill marks on meat without a grill. Filled with resources and organized in a simple problem-and-solution format, this is an ideal resource for both experienced foods styling pros and first-timers alike. This is the only book of its kind on the market, shedding light on the art and craft of food styling More than 300 full-color photos reveal the process of styling and the spectacular results, teaching and inspiring anyone interested in food and how it is presented in media The book features a timeline of 60 years of food styling, a glossary of important terms, and a listing of vital styling resources The only book the aspiring or professional food stylist will ever need, this exceptionally thorough resource covers challenges from flawless fried chicken to fluffy, cloudlike cake frostings-and everything in between Whether you're looking to break into the food styling business or just touch up on the latest and most effective techniques, Food Styling is the ultimate guide to creating stunning culinary visuals.

"A complete guide to photographing food, from cooking to lighting"--

Discover insider secrets for mouthwatering photographs Andrew Scrivani, food photographer for the New York Times, is one of the most respected names in the business. He's also a teacher of the craft, advising #foodporn obsessives, bloggers, photographers ready for the next step, and anyone who loves to shoot and eat, in how to: See the light (craft and shape it the way you want) Embrace the math (calculate ISO, aperture, shutter speed, and white balance) Consider visual storytelling (single vs. multiple image narratives) Master tricks for shooting in restaurants (window, bounce cards) Be a control freak (shop, prep, cook, style, and shoot) Turn passion into profit (work and get paid) Part straight-forward practical advice, part stories from the field, with many of Scrivani's signature photos, this book will definitely make you hungry.

Presents instructions on the art of digital food photography, covering such topics as cameras and accessories, working with food stylists, prop styling, composition, lighting, retouching, and marketing.

Sharing your kitchen concoctions on your personal food blog has never been as popular as it is right now, but if you've ever had trouble getting your tasty temptations to look like pretty plates on camera, you know how difficult it can be to take amazing pictures of food. Matt Armendariz, of Mattbites food blog fame, shares his experiences and best practices for creating wonderful food photos in Focus On Food Photography for Bloggers. Written specifically for you the blogger, Matt discusses the ins and outs of equipment, lighting, composition, propping, sparking your inspiration, and getting creative, all with what you have on hand at home! Learn how to avoid common pitfalls with foods that are notoriously camera shy, how to successfully snap your dinner at a restaurant as well as on your kitchen table, and how to style your food with what you have in your cupboards. He also includes advice on post-processing, posting, and protecting your prized images. As well as on his blog, Matt's photography has been featured in The Skinny Bitch Cookbook, on Martha Stewart, Paula Deen's Best Dishes, and Gordon Ramsay's Hell's Kitchen, along with numerous food magazines and newspapers. Let this seasoned blogger give your food photography the boost it needs to really make your readers salivate!
