Conflict Is Inevitable With Persistent Resistance To Change. Resistance is experienced in most teams as they struggle with the concept of change. The purpose of creating teams is to tackle difficult issues and tough organizational problems. Invariably, the solutions teams develop results in active transformations that disrupt the status quo and personal agendas, which also tends to remove personal positions of power.

~~Conflict and Resistance~~—Annenberg-Learner

Civil resistance is political action that relies on the use of nonviolent resistance by civil groups to challenge a particular power, force, policy or regime. Civil resistance operates through appeals to the adversary, pressure and coercion: it can involve systematic attempts to undermine the adversary's sources of power, both domestic and international.
