Full of actionable advice, Retirement Reinvention gives readers step-by-step instructions for leaving their old career behind, pinpointing interests and skills, and defining new, satisfying opportunities that will fit within the balance they want to strike between work and leisure.

A practical, fully illustrated guide to planning and enjoying retirement, grounded in psychological research. Retirement can

# Access Free Retirement Reinvention Make Your Next Act Your Best Act

bring immense fulfillment but also can be a source of stress, especially today. *Happy Retirement: The Psychology of Reinvention* uses psychological research and a unique visual style of infographics and illustrations to provide readers with a retirement road map just right for them. Fully illustrated, with constructive advice for all retirees--whatever the age and circumstances--and inspirational guidance from a wealth of sources, *Happy Retirement: The Psychology of Reinvention* answers all the questions readers are likely to ask at any stage of retirement.

You've worked hard for the better part of four or five decades, and now you've decided it's time to call it quits. Or your employer or industry regulations may have made that decision for you. What now? Although a life of ease may have been your dream, retirement brings with it a host of questions, problems, and responsibilities that never occurred to you and now may seem insurmountable. *How to Survive Retirement* will help you plan for most any eventuality during the golden years. The book is divided into four major areas:

- **Making The Break:** The emotions of retirement.
- **Where Did The Money Go?**—Financial considerations
- **I Don't Feel So Great**—Physical/medical aspects of retirement.
- **Hey, Look What I Did!**—Filling leisure time. Doing nothing may become the hardest thing you've ever done. However, thanks to this survival guide, you'll be able to enjoy the rest of your life.

What do you want to do with the freedom that comes with retirement? It's up to you. Yes, we may have less energy as we get older, but how can we make sure we're using what we have on what matters to us? While many books address financial planning and some help us spend our savings, there isn't much to help retirees decide what to do when we get up in the morning. "*How to Decide What to Do Next When You're Retired*" provides accessible, easy to use ways to figure out how to spend time on the things that matter. Through discussion, questions, examples, and worksheets, you will

50+ income models for creating flexible, fulfilling, and profitable work during the encore stage of one's career. **RETHINK YOUR RETIREMENT** For many people, retirement is no longer a trifecta of golf, grandkids, and gardening—it's an opportunity for new pursuits that involve both earning income and exploring personal passions. If you're planning for retirement or already at "retirement age" but want to continue working—whether to supplement your income or to stay mentally and physically active—veteran career coach Nancy Collamer shows how to identify your favorite interests and expertise and repackage them into more than fifty ways to earn income. These second acts range from the traditional (part-time employment, consulting) to newer Internet-based options (teaching online, writing a blog). With a prescriptive approach to securing second-act careers that are flexible, fulfilling, and fun, this book offers a wide variety of income-generating examples as well as exercises to clarify your lifestyle goals and help you plan for your next move. *Second-Act Careers* shows how to create a profitable and meaningful semi-retirement on your own terms and in your own way.

Leaving the professional world doesn't mean losing your purpose: A guide to aging well and moving on to a fulfilling second act. You've had a successful career and you're no couch potato—but how do you make the transition to a new phase of your life? From one of the original creators of the popular *Franklin Day Planner*, the former Chairman and CEO of Franklin Covey Co., and the recognized "Father of Time Management," this guide shows you how you can move from your previous work, simplify life, and enter a new world of purposeful retirement and good living. Create a retirement that is meaningful and inspiring Make intelligent and anxiety-free retirement planning choices Learn from the lives and experiences of people who have found their pathway to happy retirement Discover secrets to aging well This distinguished author, speaker, and businessman combines wit and enthusiasm with

compelling principles that inspire lasting personal change. Draw from a lifetime of wisdom to discover your true passion, re-imagine your life, and try new possibilities.

A new and improved edition of the ultimate resume guide A career coach and syndicated columnist shows how to use her powerful Goldmining technique to create the most effective resume possible. This remarkable technique is a seven-step process that brings out all of the candidate's most marketable skills and accomplishments. This new edition is updated to offer even better career advice from one of the foremost authorities on job search and hiring practices, including all the newest information on the best ways job hunters can use the Internet to their advantage. Includes a list of dozens of mistakes to avoid and ways to make the resume stand out as much as possible. Also featured are tips from human resources personnel and hiring managers on key mistakes applicants make on their resumes.

Find out how harnessing the powerful business principles of design thinking can make retirement your best chapter in life. There is no one right time or way to retire. Retirement is a major life transition; but if you spend the time designing a future filled with promise and possibilities, the prospect can be utterly exciting and revitalizing. In Retirement by Design, professional mentor and coach Ida Abbott shows you how the innovative business principles behind design thinking can be applied to plan a rich, fulfilling, and more meaningful retirement. Her guided workbook uses a business-like approach to leaving business, making your switch much smoother and less jolting. Whether you're considering a new place to settle down, working through financial planning, strategizing how to unwind a business, or deciding on which organizations you want to stay engaged with, making critical decisions takes a lot of organization, thought, and planning. Abbott shows how the five principles of design thinking will revolutionize your retirement-

planning process: Empathy: Get inside the shoes of your future self. What will be important to that version of you? Define: Hone in on what is and will be most critical for you to focus on (whether it's volunteering, family, activities, or skills). Ideate: Draw, scribble, brainstorm, and throw around as many different retirement scenarios as you can come up with. Prototype: If retiring across the country in Arizona sounds perfect—try it out first. Come up with opportunities to test out your scenarios with short trips and trial time off. Test: This is the fun part—get back to the drawing board and try more retirement scenarios (and future versions of yourself) before sitting down to make those life-changing decisions. The new and innovative, self-coaching approach of Retirement by Design helps you spearhead and navigate a major next step in life. Whether your retirement is 10 years away or swiftly approaching, this workbook ensures you will create a future that is perfectly tailored to you.

"This book is your call to action on your own behalf to: jumpstart your newly invented personal & professional retirement--your Next Phase life and work; create your own custom roadmap to how Baby Boomer YOU will live your last and BEST personal opus, with vitality, enthusiasm and enjoyment."--Back cover.
