Business

will find competitive rivalry already present. Why the

rivalry between competitors

rises, and the factors

contributing to it is what is

discussed in this article.

The degree of competition

Access Free

Business always varies

between

competitors

based on the

industry they

are in. For

example – you

can expect a lot

of competition

in the fmcg

market, but

lesser in the

Competition

between sellers
and among buyers
is central to
the economic
concept of the
market. But Ford
& Håkansson

(2013) regard competition as mainly a background variable in the business network.

Advancing theory about the market as network calls for a more nuanced conceptualization of competition.
