Roald Dahl 100 Phizz Whizzing Postcards - Goodreads

Greetings to you, the lucky finder of this little box - tremendous postcards are inside. From Golden Tickets and giant peaches to thank you, good-luck and congratulations cards, it's filled with MAGIC. Fizzing with the iconic illustrations of Quentin Blake, greetings for every occasion, and quotes and covers from your favourite stories. All you need to do is add your own WHOPPSY-WHIFFLING words.

"The top ten bestselling and best-loved Roald Dahl stories of all time, including Charlie and the Chocolate Factory, Charlie and the Great Glass Elevator, Danny, the Champion of the World, Fantastic Mr Fox, George's Marvellous Medicine, James and the Giant Peach, Matilda, The BFG, The Twits and The Witches in beautiful hardback with foiled dust-jackets, and presented in a stunning giftbox."

'Human beans is not really believing in giants, is they? Human beans is not thinking we exist.' On a dark, silvery moonlit night, Sophie is snatched from her bed by a giant. Luckily it is the Big Friendly Giant, the BFG, who only eats snoozcumbers and glugs frobscottle. But there are other giants in Giant Country. Fifty foot brutes who gallop far and wide every night to find human beans to eat. Can Sophie and her friend the BFG stop them?

This fantastical and official new book, published just over 100 years after Roald Dahl's birth, will appeal to fans who grew up reading his stories, or reading them to their children, as well as to new readers who are discovering Dahl's world for the first time. It gives a brilliant new perspective on his most-loved (and hated) characters and stories. The Gloriumpious Worlds of Roald Dahl brings together Dahl's wondrous creations and Quentin Blake's iconic illustrations with previously unpublished reproductions of imagined letters, artefacts, posters and much, much more. Inspired by the characters and events from each of Dahl's books, and including original thoughts and notes on yellow lined paper - as if written by Dahl himself - the book expands upon his stories in a humorous and creative way, making it the ideal addition to everyone's Dahl collection.

This collection of hundreds of great jokes would make even the Trunchbull laugh! Inspired by Roald Dahl's wonderful world, these gigglesome gags are guaranteed to raise a chuckle from human beans young and old.

Charlie and the Chocolate Factory and Charlie and the Great Glass Elevator together in a single bumper volume with phizz-whizzing new Roald Dahl branding! In CHARLIE AND THE CHOCOLATE FACTORY, Mr Willy Wonka opened the gates of his amazing factory to Charlie Bucket, our hero, and four repulsive children. They are Augustus Gloop (greedy), Veruca Salt (spoiled), Violet Beauregard (gum-chewer) and Mike Teavee (TV addict). Next, in CHARLIE AND THE GREAT GLASS ELVEVATOR, Charlie and his family find themselves orbiting the Earth with Mr Willy Wonka. WHOOSH! So grab your gizzard! Hold your hats! Pay attention please. Mr Wonka wouldn't like to lose any of you at this stage of the proceedings . . . Listen to CHARLIE and other Roald Dahl audiobooks read by some very famous voices, including Kate Winslet, David Walliams and Steven Fry - plus there are added squelchy soundeffects from Pinewood Studios! Look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! inspired by the revolting Twits.

The sweet scents of rural life infuse Ah, Sweet Mystery of Life, a collection of Roald Dahl's country stories - but there is always something unexpected lurking in the undergrowth . . . Whether it is taking a troublesome cow to be mated with a prime bull; dealing with a rat-infested hayrick; learning the ways and means of maggot farming; or describing the fine art of poaching pheasants using nothing but raisins and sleeping pills, Roald Dahl brings his stories of everyday country folk and their strange passions wonderfully to life. Lacing each tale with dollops of humour and adding a sprinkling of the sinister, Dahl ensures that this collection is brimful of the sweet mysteries of life. 'A sophisticated account of village life. The rural characters are moulded by Dahl's dark, inquisitive imagination. Compelling and very funny' Time Out 'Roald Dahl is one of the few writers I know whose work can accurately be described as addictive' Irish Times Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

This boxed set includes all the works for children written by Roald Dahl.
