Increasingly, Western culture embraces confusion as a virtue and decries certainty as a sin. Those who are confused about sexuality and identity are viewed as heroes. Those who are confused about morality are progressive pioneers. Those who are confused about spirituality are praised as tolerant. Conversely, those who express certainty about such issues are seen

as bigoted, oppressive, arrogant, or intolerant. In eight lessons coordinated to be used alongside the Saving Truth Video Study, Abdu Murray seeks to awaken Westerners to the plight we find ourselves in, challenges Christians to consider how they have played a part in fostering a culture of confusion, and provides arguments from a Christian perspective for the foundations of truth applied to sexuality, identity, morality, and spirituality. Ultimately, the Saving Truth Study Guide will equip readers to engage the culture of confusion with the clarity that Christ offers.

like for men in our world today. It's a journey to rediscover your kingship in Christ and the narrow path that leads to this inner transformation. In this six-session video Bible study, journey with Morgan into a process that helps men discover and recover: Our true courage Our vulnerability God's design and desire to empower us in his Kingdom. It is God's intention to entrust us to participate in the ongoing creativity of the universe. Yet, even a glance at our history and the world around us shows that the story of most men who are entrusted with power is a story of self-harm and harm of those under their care. What's gone wrong? When can you entrust a man with power as God intended? When we take a deeper look at the external problems around us, we begin to see that the problems lie rooted within our own souls. Despite that, there is hope. Curated and distilled over more than two decades, and mined from the lives of over seventy-five sages who have gone before us, Morgan shares what he discovered: an ancient and reliable path to restoring the heart of a man and becoming the kind of man who can wield power for good. This study includes video notes, group discussion questions, and between-session personal study for each session. In this updated edition of the bestselling classic, author John Eldredge reminds men they need adventure in their lives . . . in their work, in their love, and their spiritual lives. He reveals how God designed men to be dangerous. Simply look at the dreams and desires written in the heart of every boy: to be a hero, to be a warrior, and to live a life of adventure and risk. Sadly, most men today have abandoned these dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative six-session video study (DVD/digital video downloads sold separately), John Eldredge explains how God wants to heal these deep wounds from earlier years that take away a man's confidence and—in some cases—his masculinity. He shows that deep within the heart of every man is a longing for a
