Scholarly communication is the process of academics, scholars and researchers sharing and publishing their research

findings so that they are available to the wider academic community and beyond.

# Download Ebook Scientific

Scholarly  
communication  
Traditionally  
scholarly  
communication  
has occurred in  
the formal  
literature - in  
journal  
articles,  
conference  
proceedings,  
book chapters  
and books.

However as the  
image below

# Download Ebook Scientific

demonstrates,  
the landscape is  
changing  
dramatically.
