How to Make Money Investing in Pre-IPO Stocks: An Investors' Guide to Building Wealth in Private Companies Build wealth like billionaire investor Chris Sacca by investing in Pre-IPO shares of private companies. How to Make Money Investing in Pre-IPO Stocks outlines the changing legal landscape that is creating an opportunity for every day investors to invest in private companies and profit. Between 2012 and 2015, Congress passed the JOBS Act and the FAST Act both of which outlined the rules and regulations on crowdfunding, making it easier for every day Americans to invest in private companies. SF Angel Investor of the Year and equity crowdfunding expert Manny Fernandez walks you through his investing strategies and shares how you can take advantage of them as well. Manny has spent the last five years focusing on the emerging opportunities created by equity crowdfunding, Pre-IPO investing, and wealth creation for the everyday investor. In this book you'll learn: * How the legal landscape is changing to allow YOU to invest in Pre-IPO stocks. * Why investing in Pre-IPO stocks both boosts the economy and creates an opportunity for YOUR wealth creation. * How you can access Pre-IPO investment opportunities without being on Wall Street. * What steps you need to consider to get started. How to Make Money Investing in Pre-IPO Stocks: An Investors' Guide to Building Wealth in Private Companies covers the legal, theoretical, and practical sides of investing in Pre-IPO stocks. Buy the book and get started today.

There's a good chance that you have heard of Sachin Bansal (of Flipkart), Navin Tiwari (of InMobi), Bhavish Agarwal (of Ola) and Ritesh Agarwal (of Oyo). They are Indian start-up founders who have achieved celebrity status with their business success. But, have you heard of Ashish Gupta, Sasha Mirchandani, or Anupam Mittal? They are angel investors who funded start-ups like Flipkart, InMobi and Ola in their early years. Their little investments helped build legendary companies and yielded life-changing returns. Welcome to the exciting world of angel investing and entrepreneurship. Using his rich experience as an investor and mentor to numerous start-ups, Sanjay Kulkarni provides you a ringside view of this world. In an accessible, jargon-free approach and illustrated with insider stories, the book arms you with all the tools and strategies needed to become a successful angel investor. Like a good guide, this book will help you in navigating the start-up eco-system, avoiding common pitfalls, investing smartly and identifying the next billion-dollar start-up. Look back twenty-five years, Flipkart, Ola, InMobi, weren't even born. A whole new wave of start-ups is set to define the next twenty-five years. Would you like to be a part of this revolution?

Start-Up Saboteurs shows entrepreneurs how to create real wealth by abandoning their limited thinking, eliminating boundaries, and stop defining the outcome. Money is first and foremost about freedom and not about acquiring things nor flaunting them in front of family and friends. Money is about the freedom to do whatever one wants, whenever they want. Ziad K. Abdelnour calls upon striving entrepreneurs within Start-Up Saboteurs to empower them to create their own wealth. He guides them through the challenging maze of egos, incompetence, and ignorance so they can separate fact from fiction. By the end of Start-Up Saboteurs, entrepreneurs are inspired to create their own wealth, not for the sake of wealth, but for the sake of becoming free and independent.

the world of organized professional angel investing—Angel Investing is a comprehensive, entertaining guide that walks readers through every step of the way to becoming a successful angel investor. It is illustrated with stories from among the 90+ companies in which David has invested during a 25 year career as one of the world's most active business angels and includes instructions on how to get started, how to find and evaluate opportunities, and how to pursue and structure investments to maximize your returns. From building your reputation as a smart investor, to negotiating fair deals, adding value to your portfolio companies and helping them implement smart exit strategies, David provides both the fundamental strategies and the specific tools you need to take full advantage of this rapidly growing asset class. He details the advantages of joining an angel group, explains how seed and venture funds can help leverage an investor's resources, and reveals how recent regulatory changes and new online platforms are making startup investing accessible to millions of Americans. Making money is no longer about sitting back and reading stock listings, David says. It is now about being part owner of an exciting startup that can be fun and financially rewarding. Angel Investing teaches investors how to carefully select and manage investments, establish a long term view, and approach angel investing as a serious part of an alternative asset portfolio while also enjoying being an integral part of an exciting new venture.

The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of research, including quantitative data on almost ten thousand founders as well as inside stories of founders like Evan Williams of Twitter and Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.

In Don't Mess It Up: How Founders and Their Successors Can Avoid the Clichés That Inhibit Growth, author and six-time second CEO Les Trachtman offers his expertise on the most effective ways to successfully hand off your company to a worthy successor. He also has advice for those who are inheriting a business and want to take it to the next level, as well as for boards who are dealing with these leadership transitions. In his direct, no-nonsense approach, Les shows readers how seemingly harmless business clichés such as “get it right” and “be careful” can have a detrimental effect on a company's future by conveying that such imperative ingredients such as risk and innovation are things to now be avoided. Readers will learn how to:

- Understand the metamorphosis required to transition from great founder to great CEO
- Know when, and if, it's time to replace yourself
- Pick the right successor
- Prepare yourself and your company for the fragile transition
- Create a successful CEO transition
- Separate yourself from the company

There is likely no one more experienced in founder transitions than Les Trachtman. He has been an innovative and respected successor at six different companies; let his hard-won advice guide you through your transition and toward success.

One of Silicon Valley's most successful angel investors shares his rules for investing in startups. There are two ways to make money in startups: create something valuable—or invest in the people that are creating valuable things. Over the past twenty-five years, Jason Calacanis has made a fortune investing in creators, spotting and helping build and fund a number of successful technology startups—investments that have earned him tens of millions of dollars. Now, in this enlightening guide that is sure to become the bible for twenty-first century investors, Calacanis takes potential angels step-by-step through his proven method of creating massive wealth: startups. As Calacanis makes clear, you can get rich—even if you came from humble beginnings (his dad was a bartender, his mom a nurse), didn't go to the right schools, and weren't a top student. The trick is learning how angel investors think. Calacanis takes you inside the minds of these successful moneymen, helping you understand how they prioritize and make the decisions that have resulted in phenomenal
