Loads weighing up to two tonnes are quickly and reliably transported to the desired location by the FM-X SE at a maximum speed of 14 km/h. Once there, it lifts them to a height of up to eight metres. Due to the large cushioned tyres and the high level of ground clearance, the driver seated reach truck is also ideally suited to loading and unloading goods from outer shelves.

X Japan is one of the most influential visual kei bands in the history of the Japanese music scene. Formed by childhood friends Yoshiki and Toshi in 1982 at Chiba, Japan, X was originally founded to play high energy rock music. Besides being one of the first Japanese acts to achieve mainstream success while on an independent label, the group is widely credited for pioneering the visual kei ...
