William Pride (Ph.D., Louisiana State University) is a professor of marketing in the Mays Business School, Texas A&M University. In addition to this text, he is co-author of a market-leading Principles of Marketing text. Dr. Pride's research interests include advertising, promotion, and distribution channels, and his research articles have appeared in major professional journals, such as the ...

Gain a solid understanding of business today and what it takes to become a better employee, more informed consumer, and even a successful business owner with the best-selling FOUNDATIONS OF BUSINESS, 5E. This up-to-date, comprehensive survey of business highlights forms of business ownership, management and organization, human resources management, marketing, social media and e-business, information systems, accounting, and finance. Core topics and special features examine ethics and social responsibility, small business and entrepreneurship, and global issues, while new coverage addresses cutting-edge topics, such as the impact of social media in business, the economic recovery and remaining economic issues, international business, green and socially responsible business, and sustainability. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Eighth Edition of this bestselling introductory text features a comprehensive, updated survey of all key business functions: management, marketing, accounting, finance, and information technology. Core topics highlighted within these functional areas include ethics and social responsibility, small business concerns, different forms of business ownership, and international business concepts. In light of current business conditions, this edition also addresses the nation's economic problems, corporate credibility and efforts to improve accounting standards, the dot-com meltdown, entrepreneurial businesses, diversity, globalization, e-business, and other timely issues. Likewise, the authors have integrated more information on employment trends to help students choose a career and compete in a fickle job market. Updated and enhanced coverage of e-Business--in boxed features, examples, illustrations, and

discussions throughout the text--reflects this sector's growing importance. In addition, Navigating the World of E-Business (Chapter 4) has been completely revamped to cover key concepts, as well as the strategies and challenges facing current businesses. Pedagogical tools have also been revised, including all new Inside Business cases at the beginning of each chapter and closing Return to Inside Business features. These sections follow up on the opening case with additional information, posing questions that stress the practical application of chapter concepts. All boxed features that focus on real business or workplace issues have been replaced. These boxes cover major themes, including Adapting to Change, Talking Technology, Examining Ethics (with Issues to Consider that stimulate critical thinking and facilitate discussion), Going Global, and Exploring Business. Using the Internet boxes continue to point students to relevant web sites for more information on concepts, companies, or issues covered in each chapter--prompting them to conduct independent research. The Eighth Edition also features two new Spotlight features per chapter, illustrating facts with appealing and easy-to-understand visuals that help students to understand the material. Due to its loose-leaf format, this text sells for considerably less than standard hardcover books and also provides students with greater flexibility. They can insert their own notes or class handouts into any chapter, bring only the chapters they need to class, or organize the contents to follow their instructor's syllabus. The Study Guide is perforated and three-hole punched so that the materials can be easily integrated with the textbook. New! Building a Business Plan features now appear at the end of every Part, helping students to write their own business plans incrementally over the course of a semester or during class. Chapter 6 also includes revised coverage of business plans. New! Running a Business, an ongoing video case featured at the end of each Part, provides students with an insider's vantage point of Finagle-A-Bagel, a bagel bakery and cafe. Through this firsthand look at one business's day-to-day operations, students gain a better understanding of the real challenges faced by entrepreneurs. Students can also practice applying what they have learned by analyzing the problems, solutions, and actions taken at Finagle-A-Bagel. New! All end-of-chapter videos are new and focus on companies such as Stonyfield Farm, New Belgium Brewing, Subway, Bay Partners, Remington, Wal-Mart, JetBlue, Financial Fusion, and Merrill Lynch Direct. These cases combine with three other video tools--one brief chapter overview and two key concept segments--for a total of 13 to 20 minutes of video per chapter. New! All photos and advertisements are new. As in past editions, captions clarify how these real-world visuals illustrate key concepts under review. New! The Business Bonus Pack: Your Guide to an A accompanies every new copy of the text and includes four Audio Review CDs, an HM eStudy CD-ROM, and helpful tips on how students can integrate these study aids with the textbook, study guide, and textbook web site in order to reach their academic goals. Remastered and edited to achieve complete compatibility with the Eighth Edition, the Audio Review CDs contain 10 to 12 minute summaries of key terms and topics for every chapter. The new HM eStudy CD-ROM includes learning objectives in essay-question format, glossaries, chapter summaries, brief chapter outlines that students can annotate, chapter previews with video overviews for selected chapters, ACE Practice Tests (different from those on the web site and in the printed study guide), and Business Plan worksheets. New! Master the Class, a game simulation by John Drea (Western Illinois University), allows instructors to review key concepts with their students in a fun and interactive way. This program is available on the HM ClassPrep CD-ROM and the instructors' web site. New! Eduspace is Houghton Mifflin's online learning tool. Powered by Blackboard, Eduspace is a customizable, powerful and interactive platform that provides instructors with text-specific online courses and content. It includes chapter homework and per-question feedback as well as At Issue and Discussion questions for in-class discussion.

INTRODUCTION TO BUSINESS, 11E, International Edition is a best-selling introductory text featuring an up-to-date, comprehensive survey of the functional areas of business: management, marketing, accounting, finance, and information technology. This edition closely examines cutting-edge topics like the impact of the economic crisis and political climate on business, green and socially responsible business, and sustainability. INTRODUCTION TO BUSINESS, 11E, International Edition delivers on expanded choice, increased engagement and improved outcomes by offering innovative custom and technology options that meet the needs of your course. Increase student engagement and improve outcomes by incorporating one of our digital products into your course.

The Eighth Edition of this bestselling introductory text features a comprehensive, updated survey of all key business functions: management, marketing, accounting, finance, and information technology. Core topics highlighted within these functional areas include ethics and social responsibility, small business concerns, different forms of business ownership, and international business concepts. In light of current business conditions, this edition also addresses the nation's economic problems, corporate credibility and efforts to improve accounting standards, the dot-com meltdown, entrepreneurial businesses, diversity, globalization, e-business, and other timely issues. Business, First Canadian Edition, is a digital learning solution for the Introduction to Business course that presents concepts in a way that resonates with the needs of today's learners. In response to the feedback gathered through a variety of focus groups and reviews by Canadian students and educators, NELSON has built an innovative digital learning experience that contains the comprehensive content instructors require, delivered in an engaging manner for students. Within MindTap, students are encouraged to learn the core concepts through readings; interactive, media-rich activities; and concept videos. Students then can apply what they have learned through scenario-based application activities and review quizzes. Their work culminates in a business plan that is built as they move through the content. Business, First Canadian Edition, engages students to learn, provides the opportunity to apply their knowledge, and ultimately builds confidence leading to student success.

Created by Kathryn Hegar (Mountain View College), this guide features 2,500 practice test questions. Three exams per chapter include true/false, matching, multiple-choice questions, and short-answer items--helping students to prepare for real tests by reinforcing concepts from the text. The answers to all objective questions also appear in the Study Guide so students can track their own progress.

Written by authors with an extensive track record in teaching business, the Europe, Middle East and Africa Edition of this bestselling volume features an up-to-date and comprehensive survey of the functional areas of business, including management, human resources, marketing, accounting, finance and investment. Brimming with real examples that address ethics and social responsibility, sustainable practice, small business and entrepreneurship, global issues, and the increasing role of social media, this landmark text provides an engaging and authoritative introduction to business.
