Technical Report Samples. If you are thinking of seeking Incorporated or Chartered Engineer Registration via the Technical Report Route you will need to firstly submit your synopsis along with your application form and then produce a Technical Report to be reviewed by our Registration Panel. Below is a number of carefully picked synopsis' and reports we feel are good examples of the layout and content expected from each applicant.

~~CIBSE Membership~~

In writing a full-length engineering report, you should start with a report outline, then proceed to a rough draft. The outline defines the organization of the report, and the rough draft serves to avoid omissions. Once the content is established, the rough draft is refined for clarity and conciseness.
