The 5 Years Before You Retire | Book by Emily Guy Birken ...

This is why I would suggest that "develop other sources of income" as one of the main suggestions for at least five years out — if not 10, 15, 20, or more years before retirement. IMO spending should be kept low (in proportion to income, to create an ever-growing gap between income and expenses) well before five years before retirement.

1 – Divorce after 5 years if you know where they live. The divorce will be based on a 5-year separation divorce petition, which is filed at a regional divorce centre with the £550 court filing fee. The divorce centre will then post a copy of the 5-year divorce petition to your spouse with a form called an acknowledgement of service.
