Wonderfully sublime and altogether sexy, The Alpha Promise by Hayat Ali reinvigorates the tired genre of vampire tales. While the enticing action and bloodletting remains, this debut novel takes a smart look at the undead—their legions and their way of life. It is not at all as simple and unplanned as one might imagine.

On the eve that a vampire plans to claim the throne as high prince, a rebel tribe of the undead attacks him and his council, yet it is the will of a human that prevails in this timeless battle.

How the success and popularity of recycling has diverted attention from the steep environmental costs of manufacturing the goods we consume and discard. Recycling is widely celebrated as an environmental success story. The accomplishments of the recycling movement can be seen in municipal practice, a thriving private recycling industry, and widespread public support and participation. In the United States, more people recycle than vote. But, as Samantha MacBride points out in this book, the goals of recycling—saving the earth (and trees), conserving resources, and greening the economy—are still far from being realized. The vast majority of solid wastes are still burned or buried. MacBride argues that, since the emergence of the recycling movement in 1970, manufacturers of products that end up in waste have successfully prevented the implementation of more onerous, yet far more effective, forms of sustainable waste policy. Recycling as we know it today generates the illusion of progress while allowing industry to maintain the status quo and place responsibility on consumers and local government. MacBride offers a series of case studies in recycling that pose provocative questions about whether the current ways we deal with waste are really the best ways to bring about real sustainability and environmental justice. She does not aim to debunk or discourage recycling but to help us think beyond recycling as it is today.

Young, terrified, and bound to a vampire, Louella Eschebe fled the bayou and swore off magic. Years later, she’s returned to the tiny town of Cypress, Louisiana to take her rightful place as head of her magical family, whether she likes it or not. In order to keep the tentative peace formed between the various races of powerful beings who rule side by side, she must face her own demons. Mainly one, Cristobal Cortez. Now a master vampire, and lord of the seven cities surrounding New Orleans, her former lover has moved up in the world. Their relationship gets way more complicated when his court is framed for a rash of murders they didn’t commit. Forced to play her role as his bond mate, and launch an investigation into the darkness threatening to overturn truces, she may be in over her head.

Police Detective Harry Lyon is caught in a whirlwind of terror that threatens to sweep away not only him but his partner and everyone he loves.

This debut novel by the two time Pulitzer Prize-winning author of The Underground Railroad and The Nickel Boys wowed critics and readers everywhere and marked the debut of an important American writer. Nominated as one of America’s best-loved novels by PBS’s The Great American Read It is a time of calamity in a major metropolitan city’s Department of Elevator Inspectors, and Lila Mae Watson, the first black female elevator inspector in the history of the department, is at the center of it. There are two warring factions within the department: the Empiricists, who work by the book and dutifully check for striations on the winch cable and such; and the Intuitionists, who are simply able to enter the elevator cab in question, meditate, and intuit any defects. Lila Mae is an Intuitionist and, it just so happens, has the highest accuracy rate in the entire department. But when an elevator in a new city building goes into total freefall on Lila Mae’s watch, chaos ensues. It’s an election year in the Elevator Guild, and the good-old-boy Empiricists would love nothing more than to assign the blame to an Intuitionist. But Lila Mae is never wrong. The sudden appearance of excerpts from the lost notebooks of Intuitionism’s founder, James Fulton, has also caused quite a stir. The notebooks describe Fulton’s work on the “black box,” a perfect elevator that could reinvent the city as radically as the first passenger elevator did when patented by Elisha Otis in the nineteenth century. When Lila Mae goes underground to investigate the crash, she becomes involved in the search for the portions of the notebooks that are still missing and uncovers a secret that will change her life forever. A NEW YORK TIMES NOTABLE BOOK • Ghana, eighteenth century: two half sisters are born into different villages, each unaware of the other. One will marry an Englishman and lead a life of comfort in the palatial rooms of the Cape Coast Castle. The other will be captured in a raid on her village, imprisoned in the very same castle, and sold into slavery. One of Oprah’s Best Books of the Year and a PEN/Hemingway award winner, Homegoing follows the parallel paths of these sisters and their descendants through eight generations: from the Gold Coast to the plantations of Mississippi, from the American Civil War to Jazz Age Harlem. Yaa Gyasi’s extraordinary novel illuminates slavery’s troubled legacy both for those who were taken and those who stayed—and shows how the memory of captivity has been inscribed on the soul of our nation.

In the aftermath of a plague which brought civilization to its knees and left most of the world’s female population sterile, breeders—the few women who remain fertile—have become a precious commodity. Breeders live in relative comfort, but upon reaching adulthood they are tasked with bearing one child after another to carry on the species. Frequent medical assessments keep the breeders healthy and harsh punishments keep them in line. As a breeder who has just come of age, Rowan knows she will soon be little more than a slave, but when she dares to resist her fate the penalty is severe. After a shameful, public chastisement and a thorough, humiliating examination to determine her suitability for child-bearing, Rowan is given to a savage from outside the community—a huge brute of a man named Silas—to be bred. Against all expectations, Rowan finds herself drawn to her new captor. Brave, ruggedly handsome, and even kind at times, Silas is everything the men who enslaved her were not. When the time comes for him to breed her, despite the circumstances something deep inside her begs for him to take her long and hard. But while she soon finds herself longing to be his forever, Rowan knows that eventually those who gave her to him will try to take her back. When that day comes will Silas fight to keep her at his side even if it means risking everything he loves? Publisher’s Note: Given to the Savage is an erotic novel that includes spankings, sexual scenes, extensive medical play, anal play, elements of BDSM, and more. If such material offends you, please don’t buy this book.

Smuggled into Hamburg, Issa, a young Russian man, forms an alliance with Annabel, a civil rights lawyer, and Tommy Brue, scion of a failing British bank, as they become victims of rival intelligence operations in the War on Terror.

From the Newbery Medal-winning author of The Hero and the Crown: the story of a princess who flees her father’s unwanted attention and finds an unexpected new life. Princess Lissla Lissar is the only child of the king and his queen, who was the most beautiful woman in seven kingdoms. Everyone loved the splendid king and his matchless queen so much that no one had any attention to spare for the princess, who grew up in seclusion, listening to the tales her nursemaid told about her magnificent parents. But the queen takes ill of a mysterious wasting disease and on her deathbed extracts a strange promise from her husband: “I want you to promise me . . . you will only marry someone as beautiful as I was.” The king is crazy with grief at her loss, and slow to regain both his wits and his strength. But on Lissar’s seventeenth birthday, two years after the queen’s death, there is a grand ball, and everyone present looks at the princess in astonishment and whispers to their neighbors. How like her mother she is! On the day after the ball, the king announces that he is to marry again—and that his bride is the princess Lissla Lissar, his own daughter. Lissar, physically broken, half mad, and terrified, flees her father’s lust with her one loyal friend, her sighthound, Ash. It is the beginning of winter as they journey into the mountains—and on the night when it begins to snow, they find a tiny, deserted cabin with the makings of a fire ready-laid in the hearth. Thus begins Lissar’s long, profound, and demanding journey away from treachery and pain and horror, to trust and love and healing.

The Wheel of Time® is a PBS Great American Read Selection! Now in development for TV! Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. In Towers of Midnight, the Last Battle has started. The seals on the Dark One’s prison are crumbling. The Pattern itself is unraveling, and the armies of the Shadow have begun to boil out of the Blight. The sun has begun to set upon the Third Age. Perrin Aybara is now hunted by specters from his past: Whitecloaks, a slayer of wolves, and the responsibilities of leadership. All the while, an unseen foe is slowly pulling a noose tight around his neck. To prevail, he must seek answers in Tel’aran’rhiod and find a way—at long last—to master the wolf within him or lose himself to it forever. Meanwhile, Matrin Cantlon prepares for the most difficult challenge of his life. The creatures beyond the stone gateways—the Aelfinn and the Eelfinn—have confused him, and left him hanging, his memory stuffed with bits and pieces of other men’s lives. He had hoped that his last confrontation with them would be the end of it, but the Wheel weaves as the Wheel wills. The time is coming when he will again have to dance with the Snakes and the Foxes, playing a game that cannot be won. The Tower of Ghenjei awaits, and its secrets will reveal the fate of a friend long lost. Dovie’andi se toyva sagain. It’s time to toss the dice. TV series update: “Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Judkins previously worked on shows such as ABC’s “Agents of SHIELD,” the Netflix series “Hemlock Grove,” and the NBC series “Chuck.” Red Eagle partners Rick Selvage and Larry Mondragon will executive produce along with Radar’s Ted Field and Mike Weber.
