One deranged killer. One determined cop. One deadly obsession...“Readers will definitely want to see more of Reed’s character Jack Murphy.”—John Lutz, New York Times-bestselling author of *Darker Than Night* From the moment he sees the young woman’s body in her hotel bathtub, homicide detective Jack Murphy knows he’s looking at a truly demented but brilliantly designed puzzle. She’s been drained of blood. She’s missing her left hand. And the killer left a special message just for him. Hours later, he sees her severed hand arranged on a second victim’s body. The newspaper has the gruesome details. The FBI has a theory. But only Murphy knows how hard he’ll have to push—and how much he’ll have to risk—to thwart the killer’s twisted game. “Reed writes as only a cop can.”—Nelson DeMille

beings known as Aces and Jokers four decades ago, they have struggled for respect and recognition. Now they are key players in a presidential convention torn by hatred and dissent. Assassins stalk the halls of the convention and one of the candidates plans to use his secret Wild Card power for evil. Travel on a journey of intrigue and adventure in this collaborative novel edited by #1 New York Times bestselling author George R. R. Martin and written by five of science fiction's most imaginative talents: Stephen Leigh, Victor Milan, Walton Simons, Melinda M. Snodgrass, and Walter Jon Williams. "Delicious. Everything I hoped for. The character interactions and plot twists have exactly the complexity, surprise, and unsentimental realism I'd expect out of a George R. R. Martin project." —Austin Grossman, author of *Soon I Will be Invincible* on *Inside Straight*

Jack Fisher is a boy in trouble. Disobedient and rebellious, he fights with his sister Jillian, challenges his parents' authority and fails his classes at school. But when temptation overpowers his better judgment during the annual family reunion, the consequences are more drastic than anyone could have imagined. Ignoring his grandmother's warning to stay out, Jack goes up to the attic and tries on his grandfather's old bomber jacket and boots. Suddenly transported to a world called Weaverworld, Jack must quickly adjust to his new reality. Weaverworld is a mystical place and the longer he's there the more willing he is to let go of the rules from his life in the Realworld. But not everything is as enchanting as it seems. Jack soon learns that Weaverworld can also be a dangerous and terrifying place, as the vengeful Grimsnipe enmeshes him in an ever more dangerous web of intrigue. With his new friends at his side, Jack must find a way to fight this evil force before it succeeds in destroying both his family and the Weaver way of life.

Jack Dawson awakens from the terrifying nightmare of the events in *Bitter Harvest* to find his world under siege. Millions of people have already died, and billions more are at stake. As he and his companions face the enemy on the ground, brilliant geneticist Naomi Perrault is forced to strike a bargain with the devil as she races against time to develop a super-weapon that could win the war.

The call of the wild has never been so hot. All Jack Tucker wanted was to come home for a little while and try to figure out where his life had gone wrong. Moving from Wyoming to New York didn't turn out the way he'd thought it would, and a bad breakup has left him bruised—emotionally and otherwise. He doesn't expect to be glad he's back on the Double T Ranch with his brother, Rhett, and he sure doesn't expect to find the place crawling with coywolves, wolves and coyotes. There seems to be some kind of animal warfare going on, and he and Rhett are caught in the middle of it. Ben Akers is part of his brother's pack. The only coywolf shifters in existence, they find themselves under constant attack from wolf and coyote packs determined to make the Akers pack extinct. But coywolves don't die out so easy, and when Ben's life takes a surprising turn in the form of one sexy human named Jack Tucker, they're both in for surprises, danger and the chance at the kind of love most people—and shifters—can only dream of...

FROM BESTSELLING AUTHOR OF LGBTQIA ROMANCE BAILEY BRADFORD Book one in the Fire & Flutter series &— a newly edited version! When one fairy with a faulty memory meets a snarky dragon, the supernatural world will never be the same. Griff was born a Love fairy, but he never quite fitted in. He didn't want to be part of a harem...at least he didn't think so. What with his wings gone and his memory damaged, he can't be certain of what he felt in the past. All he does know is he wants his wings back. Without them, he's grounded. Blaze is a dragon shifter who tends to stick his foot in his mouth—and some other parts in other places—when he really shouldn't. His brother's the king, and his sister-in-law is scary. Blaze's last screw-up got him grounded, unable to shift into his dragon form. His punishment seems harsh to him, but there's no escaping it. When the Love fairies come to the castle to work on forming an alliance, Blaze has about had it with guarding the horny beings, and he's disappointed that they don't stay small and cute. Swatting at something buzzing him, he almost starts an inter-species war when it turns out to be a fairy on a dragonfly. And from that snarky first meeting between Griff and Blaze, something wonderful, and dangerous, will come...

Everyone has a talent. Some are just more legal than others. Cat Montgomery steals jewels for AB&T, the premier agency for thieves in Seattle. Career perks: good pay, great disguises, constant adrenaline rush. Drawbacks: the possibility of jail time. . .or worse. Now she's taken on a lucrative side job—recovering a priceless Faberge egg for an alleged Romanov descendent. Though Cat is working solo, there are plenty of interested players. Her FBI ex-boyfriend is nosing around, as is her former mentor-turned-nemesis. Then there's the sexy art thief helping—or is he hindering?—her mission. If her luck holds out, this could be the case that allows Cat to retire with her conscience and her life intact. If not, it'll be her last job for all the wrong reasons. . .
