At long last English language teachers have what they've been waiting for, a "professional friend" to give a helping hand at all times! A great deal more than a grammar book, this new resource explores areas of the language that teachers have found troublesome to understand, hard to explain, and challenging to demonstrate to students. Its down-to-earth, reader-friendly format gives a fresh, new way of looking at complex material, in turn preparing teachers to communicate better and give more effective examples to students. The 22 chapters explore word order, articles, present, past, and future tenses, the overlooked uses of some and any, modal auxiliaries, prepositions, genitives, compound nouns and adjectives, passives and causatives, direct object companions, two-and three-word verbs, subjunctives,

Conditional sentences, the role of stress and intonation to convey meaning, and more. You'll find valuable information that you've never seen in other grammar reference books!

The Grammar Book introduces teachers and future teachers to English grammatical constructions. This highly acclaimed text, used both as a course book and as a grammar reference guide, is suitable for all teachers of English. What sets it apart from other grammar books is its unique pedagogical focus: It describes not only how each grammatical construction is formed, but also its meaning and its use. Grammar is seen to be a resource for making meaning in textually and socially appropriate ways.

This English Language Grammar Reference & Teacher's Guide ( Second Edition ) has been thoughtfully created drawing on almost two-decades of accumulated knowledge and wisdom gained as an English Language Facilitator, a Teaching English as a Second Language Teacher-Trainer, and an owner / Principal of two Ministry of Education registered and Qualifications Authority accredited English language schools. The book has been created as a comprehensive alternative to the intimidating thick and costly technical grammar books most ESL teachers accumulate. These books are often filled with linguistic academic jargon that is not easily understood, not to mention being heavy to carry from class to class. With an ESL teacher's needs in mind, the book has been packed with relevant, practical classroom

Resource Series information, examples, and advice, as well as being a comprehensive resource to the grammar and usage of the English language. Chapter One contains a comprehensive outline to the grammar and usage of the eight ( 8 ) parts of speech found in the English language, in simple terms. You will find easy to understand explanations and real-life sentence examples for each concept. Chapter Two contains an English language punctuation guide. The guide can be used in two ways. First, the entire collection can be used as a reference to assist the ESL teacher in the correct use of punctuation. Second, the chapter can be used as a teaching tool. Each category, or a selection of categories within the chapter, can be the basis of an independent ESL lesson. Chapter Three contains a writing guide for either the teacher

Resources before or their students. It provides invaluable information and guidance to all skill levels of writers who may attempt a simple composition, a more complex academic essay, or an advanced formal article. Chapter Four, Classroom Management, reflects the knowledge and wisdom gained by myself as a successful generalist educator, ESL facilitator, and a TESOL / TEFL Teacher-Trainer. I have also researched, observed and collected additional input from other passionate ESL educators and specialists. This chapter outlines classroom management techniques, and includes ways to identify and avoid potential problems, provides methods to inspire or motivate students, and expresses one of the most important concepts that an ESL teacher should gain knowledge on; the importance of cultural awareness

## Get Free The Elt Grammar Book A Teacher Friendly Reference Guide Alta Teacher

and sensitivity. Chapter Five gives a brief comprehensive overview to the main teaching perspectives or models available. There are many approaches and methods used; some are more mainstream than others. Chapter Six provides relevant, practical advice in regard to ESL lesson design and its delivery. This includes, but is not limited to, the individual components generally found in an ESL lesson plan, the environment in which delivery takes place ( in most cases the classroom ), the physical resources and technologies that can be considered, and the interpersonal skills needed to successfully build rapport, and to be credible and respected as a professional. This book has been designed and intended as a resource, to be used while creating lessons, but also used during actual real-time teaching. As students ask

Grammatical or composition questions, the English Language Grammar Reference & Teacher's Guide ( Second Edition ) can be quickly accessed, explanations given, and examples modified from the book, and then written on a writing surface.

Language description plays an important role in language learning/teaching because it often determines what specific language forms, features, and usages are taught and how. A good understanding of language description is vital for language teachers and material writers and should constitute an important part of their knowledge. This book provides a balanced treatment of both theory and practice. It focuses on some of the most important and challenging grammar and

## Get Free The Elt Grammar Book A Teacher Friendly Reference Guide Alta Teacher

Vocabulary usage questions. Using these questions as examples, it shows how theory can inform practice and how grammar and vocabulary description and explanation can be made more effective and engaging. Part I describes and evaluates the key linguistic theories on language description and teaching. Part II discusses and gives specific examples of how challenging grammar and vocabulary issues can be more effectively described and explained; each chapter focuses on one or more specific grammar and vocabulary. An annotated list of useful free online resources (online corpora and websites) for grammar and vocabulary learning and teaching, and a glossary provide helpful information.

In this highly acclaimed revision, grammatical descriptions

## Get Free The Elt Grammar Book A Teacher Friendly Reference Guide Alta Teacher

and teaching suggestions are organized into sections dealing with Form, Meaning, and Use. THE GRAMMAR BOOK, Second Edition helps teachers and future teachers grasp the linguistic system and details of English grammar, providing more information on how structures are used at the discourse level.

Available either with or without an answer key (for classroom use or self-study), this grammar book deals with problems encountered by ELT students at elementary level. It draws on everyday situations, real people and the student's own experiences to provide help in understanding the language. Reference and practice sections are graded in difficulty, to make the book suitable for students from

## Get Free The Elt Grammar Book A Teacher Friendly Reference Guide Alta Teacher

beginner to upper-elementary level. Grammar points are introduced in the order in which students will meet them in most coursebooks, and the book has an American English appendix.

Wide range of techniques develops teachers' skills. Over 60 generic activities encourage variety in class. Fully-adaptable activities offer plenty of new ideas for experienced teachers. Ready-made lessons provide extra support for new or trainee teachers.

An intermediate ELT grammar reference and practice book which includes examples and explanations of form and usage, units that contrast different structures, revision units,
