Life of an Amorous Woman by Saikaku Ihara - AbeBooks

K?shoku ichidai otoko (1682; The Life of an Amorous Man), the first of Saikaku's many novels concerned with the pleasure quarters, relates the erotic adventures of its hero, Yonosuke, from his precocious experiences at the age of 6 to his departure at 60 for an island of women.

Ihara Saikaku "wrote of the lowest class in the Tokugawa world -- the townsmen who were rising in wealth and power but not in official status."--Back cover.

The Life of an Amorous Man depicts the pursuits and follies of the most glorious age of old Japan, when the new bourgeoisie, unfettered by the societal constraints of the traditional aristocracy, indulged in the free and easy life of Japan's celebrated pleasure houses. The hero of this novel is a composite of the

many daijin (men of wealth) who spent their time in these flourishing establishments. The novel follows the hero, Yonosuke, or "Man of the World," from precocious childhood to the close of his amatory career. Along the way, Saikaku exploits the full gamut of sexual indulgence, always with frankness, often with humor, and occasionally with pathos - chronicling the erotic escapades of his hero and providing vivid character sketches of the women (and sometimes men) with whom Yonosuke dallied.

An eminent scholar unearths the captivating history of the two-lobed heart symbol from scripture and tapestry to T-shirts and text messages, shedding light on how we have expressed love since antiquity The symmetrical, exuberant heart is everywhere: it gives shape to candy, pendants, the frothy milk on top of a cappuccino, and much else. How can we explain the

Download File PDF The Life Of An Amorous Woman

ubiquity of what might be the most recognizable symbol in the world? In *The Amorous Heart*, Marilyn Yalom tracks the heart metaphor and heart iconography across two thousand years, through Christian theology, pagan love poetry, medieval painting, Shakespearean drama, Enlightenment science, and into the present. She argues that the symbol reveals a tension between love as romantic and sexual on the one hand, and as religious and spiritual on the other. Ultimately, the heart symbol is a guide to the astonishing variety of human affections, from the erotic to the chaste and

The author is a spinner of tales, and one of his subjects is love. In "An Amorous Life," he creates the character of Wes Pearce, and tells stories about his love life. In Edendale High, Wes loses his innocence; in graduate school, he enjoys a visiting co-ed on the university bookstore floor; in Rothenburg, Germany, he and Paula "know" each other in an inexpensive pension; and in retirement in Northampton, MA, he has now become quite the ladies' man. While in a tryst with an attractive mature widow,

Download File PDF The Life Of An Amorous Woman

his heart peters out. At his memorial service, a flower child says, "I just thought he was a horny old man."
