(Excerpt from The Power of Positive Leadership by Jon Gordon) Positive leaders don't lead because they want recognition or enemies. They lead because there is something they must do, build, create, transform, and change. They lead because it's who they are and what they are meant to do. However, with leadership comes scrutiny, praise, critics, and attacks.

World movement cofounders Kim Cameron and Robert Quinn; and thirteen more—describe how this is being done at companies such as Wells Fargo, Ford, Kelly Services, Burt's Bees, Connecticut's Griffin Hospital, the Michigan-based Zingerman's Community of Businesses, and many others. They show that, like the butterfly in Brazil whose flapping wings create a typhoon in Texas, you can create profound positive change in your organization through simple actions and attitude shifts.

Are you the One? Can you change the world? Everyone, whether in their professional life or family life is a leader. As a leader are you ready to take the POP Challenge? The Power Of Positive Leadership challenges you to reflect on your personal attitude, focus, and understanding of the importance of growing yourself so that you can grow others to strengthen your team and grow a positive atmosphere. You can be the one to change the world of those you serve and lead. Scott Benning developed POP Leadership during his journey of learning and leading in the United States Navy. He started out as one of the most junior enlisted Sailors and retired at the end of his thirty-year career as one of the top enlisted Sailors in the entire United States Navy. Scott has presented POP Leadership to many types of leaders and organizations. Feedback has been that efficiencies and effectiveness have been gained as leaders develop trust and empower their employees. As the teams adopt the POP challenge a waterfall effect occurs throughout the team and the full potential of all participating is realized. You will learn how Scott developed and worked to develop others through the Power Of Positive (POP) Leadership principles and concepts with actual stories of inspiring and empowering leadership. POP Leadership is a way of life. Once you read this book and take the time to adequately reflect on your own leadership development through his POP Points and Reflection Questions you will gain a new appreciation and motivation to continue to grow your leadership skills. Are you the One? Grow yourself and lead with the Power Of Positive Leadership and pay it forward by encouraging others to take the POP Challenge! You can motivate another leader to grow. You are the One! You can change the world. Most importantly, as you lead with the Power Of Positive Leadership, you can change someone's world. The Power Of Positive Leadership

"If you follow the simple yet profound wisdom in this book, then you, too, will take leadership to a level that you've never experienced." —John C. Right forms the backbone of the strategy, because strategies that capitalize on the positive tend to produce life-giving, flourishing outcomes in organizations. The four strategies discussed in the first edition included the cultivation of positive climate, positive relationships, positive communication, and positive meaning. Each strategy is explained and illustrated. In this revised edition, the author will add the following materials: Chapter 1: Outlining three outcomes associated with positive leadership and one more example. Chapter 2: Adding some empirical findings linking attributes of climate with physiological benefits. Chapter 3: A brief discussion of temporary encounters with positive or negative outcomes. Chapter 4: Additional research on the results of the positive-to-negative-communication-ratio. Chapter 5: Elaboration on the issue of meaningfulness in work. Chapter 6: More ideas for implementation

Over a decade ago, Kim Cameron and some colleagues decided that rather than analyze what went terribly wrong with organizations and how to prevent it, they would look at what went extraordinarily right and how to replicate it. This was the birth of positive organizational scholarship, a new field that focused on what they called "positive deviance" -- outcomes that far exceeded normal success. In his previous book *Positive Leadership*, Cameron outlined four leadership strategies -- Positive Climate, Positive Relationships, Positive Communications, and Positive Meaning -- that characterize exceptionally high-performing organizations. Here he takes these strategies further by laying out tactics for implementing them. Study after study (some of which are cited in the book) has shown that companies practicing positive leadership far outperform their competitors. So virtue may be its own reward, but it also delivers breakthrough results that any organization can achieve thanks to Kim Cameron's concise, how-to guide.

John C. Maxwell, #1 New York Times bestselling author, shows you how to shift from success to significance by leading with passion and purpose in a compact new book derived from his previous title, *Intentional Living*. We all want to live a life that matters. But what is true significance? How do we define it, and how do we achieve it? In *THE POWER OF YOUR LEADERSHIP*, Maxwell demonstrates what can come from combining personal passion and leadership in a way that goes beyond mere success. By finding like-minded people and putting them first, you can make a difference in their lives and create a united effort that leaves a lasting positive impact. Learn how to attract people to your cause, articulate your vision, and add value from your sweet spot. Using his personal story of how he became one of the most recognized leadership experts in the world, John Maxwell shows you how to lead others according to your own purpose and create a lasting legacy.

This practical guide, the first to show how leaders can achieve extraordinary results through the positive energy generated by virtuous interactions with employees, is written by one of the giants in the study of positive leadership. This book reveals one of the most important but frequently ignored factors that lead to spectacular performance in organizations. Kim Cameron, a true pioneer in the study of positive leadership, offers validated scientific evidence that all individuals are inherently attracted to and flourish in the presence of positive energy, a principle known in biology as heliotropism. Further, he shows that the positive relational energy generated by leaders' virtuous behaviors—such as generosity, compassion, gratitude, trustworthiness, forgiveness, and kindness—is tightly linked

World to extraordinary organizational outcomes like greater innovation, higher profits, and increased engagement and retention. Cameron has not written a feel-good tome about the power of positive thinking, "happiology," or unbridled optimism. This research-based explanation shows how to achieve performance that exceeds expectations. He provides practical suggestions, assessments, and exercises showing how leaders can improve their own positive energy and increase positive relational energy in their organizations. Positively Energizing Leadership is a major contribution to the theory and practice of leadership.

One Word is a simple concept that delivers powerful life change! In 1999, the authors discovered a better way to become their best and live a life of impact. Instead of creating endless goals and resolutions, they found one word that would be their driving force for the year. No goals. No wish lists. Just one word. Best of all . . . anyone, anytime can discover their word for the year. One Word that will Change Your Life will inspire you to simplify your life and work by focusing on just one word for this year. That's right! One Word creates clarity, power, passion and life-change. The simple power of One Word is that it impacts all six dimensions of your life – mental, physical, emotional, relational, spiritual, and financial. Simply put, One Word sticks. There is a word meant for you and when you find it, live it, and share it, your life will become more rewarding and exciting than ever. Join thousands of people and hundreds of schools, businesses, churches, and sports teams who have found their one word . . . and discover how to harness the transformational power of One Word. The book includes a personal Action Plan and simple process to help you discover your word for the year.
