The Sumerian Controversy: A Special Report (Kindle Edition)

There are new excavations under way in ancient Mesopotamia (modern day Iraq). Join writer, researcher, and archaeologist, Dr. Heather Lynn, as she investigates who is behind the latest Sumerian discovery near the ancient city of Ur. What is its connection to big oil, bankers, and elite families? Among many of the new artifacts, one stands out that has been quickly shipped off for analysis. It speaks of royal bloodlines...This report is the first part of a series of briefings designed to keep the public informed on this unfolding story. It will leave you with more questions, than answers, with the goal that you become engaged in the process of investigation. If we work together, the truth can be brought to light. Any profits from the sale of this publication go directly to support the Society for Truth in Archaeological Research (STAR).\*\*\*\*\*Update\*\*\*\*\*You answered the call! Thanks to the collaborative work of the readers, information and leads have poured in, leading to a number of breaks in the story. The follow-up to The Sumerian Controversy has been announced as a full, 225 page book with more discoveries, more answers, and more intrigue. The new book, Land of the Watchers (ISBN-13: 978-1489598028), presents an unbiased look at the theories and beliefs of today's leading experts and blows the lid off the accepted historical narrative. Look for it this May!

A history of Sumer and Akkad. An account of the early races of Babylonia from prehistoric times to the foundation of the Babylonian monarchy.

"A History of Sumer and Akkad" by L. W. King. Published by Good Press. Good Press publishes a wide range of titles that encompasses

every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

This book uses insights from religious studies, literary theory, and the history of science for understanding the Sumerian composition *Nanše and the Birds* in the context of the Old Babylonian scribal school. It contains editions of all the relevant Sumerian texts.

The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—*American Journal of Archaeology* "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—*Library Journal*

This work, the first of its kind, describes all the aspects of the Bible revolution in Jewish history in the last two hundred years, as well as the emergence of the new biblical culture. It describes the circumstances and processes that turned Holy Scripture into the Book of Books and into the history of the biblical period and of the Jewish people. It deals with the encounter of the Jews with modern biblical criticism, the archaeological research of the Ancient Near East, with contemporary archaeology, the Bible-Babel polemic at the start of the twentieth century, and the use of the bible as a "guide to life" in education, culture and politics.

The *Class Reunion* offers a critical edition, translation and commentary on the Sumerian scholastic dialogue otherwise known as *Two Scribes* and speaks to the central themes of scholastic thought in the Old Babylonian Tablet House (ca. 1800–1600 BCE).
